

# Family Education Support Group

**What?**

A 13-week support group.

**Who?**

Family members and friends concerned about someone close to them who struggles with drug and/or alcohol use.

**When?**

Every Thursday night, from 5:30 pm – 7 pm

**Where?**

IU Health Ball Memorial Addiction Treatment and Recovery Center  
210 N Tillotson Ave.  
Muncie, IN 47304

**Why?**

When an individual has a substance use disorder, the whole family is impacted – recovery is for families.

This group is free and all group materials will be provided at no cost.

Contact Hannah Perkins at 765.254.4025 with any questions or to register for this support group.
