

## Transition Planning is Only for High School Students, Right?!

This year, the Texas Education Agency released a new-and-improved **Texas Transition and Employment Guide**. It is chock-full of useful information related to Transition Planning, questions to ask at your child's ARD meeting, and even interactive checklists of skills and activities that should be considered at every age group!

We've pulled the **checklist for Elementary aged students** so you can get a peek. We know you'll be as hooked on this resource as we are!

## Parent Training Opportunities

On March 23rd, **Best Buddies Texas** continues their series of parent trainings with a session on **Higher Education** programs for those with disabilities. Representatives from college programs will be available to answer your questions on skills required for college readiness and the process for entry. [Click here](#) for the link to register and to view upcoming training events.
