14555 Fern Dr., Houston, TX 77079  
Principal: Raymorris Barnes

# WELCOME

Stratford High School's new 35,405 square-foot auditorium addition provides seating for 1,000 and brings incredible style and functionality to the auditorium, which supports the award-winning drama program, Stratford Playhouse.

Additional work throughout the existing campus was also completed, which helps to support and enhance the overall campus use and function. The original school was built in 1973.

# DETAILS

The details of the new auditorium complement the style and design of Stratford. The west facade features brick artwork in the shape of the school's mascot, the Spartan.

Stratford High School

The new auditorium design was a collaboration between Spring Branch ISD, PBK Architects, and the project advisory team, comprised of staff, students and parents. Satterfield & Pontikes Construction served as the Construction Manager at Risk for the project.

## CONSTRUCTION

**Architect:** PBK Architects  
**Construction Manager:**  
Satterfield & Pontikes Construction

**Capacity:** 1,000 Students  
**Size:** 35,405 Sq. Feet

Stratford High School

## THE DESIGN

The auditorium has an outdoor plaza and a large two-story open lobby area. The 1,000 seat auditorium has the latest in sound, lighting and acoustics, which help to make the auditorium an incredible space for multiple purposes and District functions. It also features balcony seating, a scene shop, dressing rooms, a concession area, prop storage and costume storage, in addition to two new classrooms and one extra multipurpose room.

# ATHLETICS UPGRADES

Upgrades to the athletics facilities include the replacements of two gym floors and bleachers and the installation of a synthetic turf play field.

# CAMPUS IMPROVEMENTS

Campus improvements include the replacement of rooftop mechanical units, new roofing systems, added air conditioning to corridors, two additional classrooms, four extra flex learning spaces, and updates to the lobby, reception and clinic areas. The cafeteria also now opens to the commons area and a collaborative learning space.

# THANK YOU

---

**Thank you to our community for  
your support of the 2017 Bond.**

In the school district's 75th anniversary year, Spring Branch ISD celebrates the opening of the newly constructed auditorium and campus upgrades at Stratford High School.

The new auditorium and other campus improvements provide critical upgrades identified for Stratford High School thanks to the generosity of our voters. Approved by 80 percent of the vote in November 2017, the 2017 Bond Program continues the transformation of district facilities that began with the 2007 Bond Program.
