2019-2020 Bid for Service Vendor Contract Awards
Date: June 4, 2019

The Pulaski County Board of Education released a bid for services needed in the 2019-2020 school year.

It is the desire of PCBOE to secure the most qualified contractors for services most often needed in our school system. Vendors responded for each area of service. I have enclosed a copy of the bid form for your review. You will find the responding vendor paper work included for your review. All vendors responding:

- agreed to the terms of the contract for services
- met all other requirements
- understand that this award in no way guarantees any business for their company, simply adds their company to a list of local vendors who we may contact to meet the needs of our local service needs

It is our recommendation to approve all responding vendors as our 2019-2020 Service Contract Vendors.
