7. Manufacturer's catalogue numbers, trade names, etc., where shown herein, are for descriptive purposes to guide the bidder in interpreting the standard of quality, design and performance desired, and shall not be construed to exclude proposals based on furnishing other types of materials or service. However, any substitution or departure proposed by bidder must be clearly noted and described; otherwise, it will be understood that bidder intends to supply items specifically mentioned in the bid invitation.
8. It is the responsibility of the bidder to furnish specific product content data, as required by law (MSDS), stating that the product(s) bid meet(s) federal, state, and/or local regulations, i.e., OSHA (lead free), AHERA (asbestos free); Federal specifications; and ASTM.

- 12. Federal Excise Taxes or Kentucky Sales and Use Taxes are not applicable to any purchase made for use of the Pulaski County Public Schools. Bids should not include any such taxes. Purchase Exemption certificates will be furnished as required.
- 13. Information pertaining to any item or condition in this request may be obtained by communicating with Shelley Todd at the Pulaski County Board of Education via email at Shelley.todd@pulaski.kyschools.us.
- 14. It is to be understood that the bidder, if awarded the contract, deliver the equipment/services within seven (7) days of an order being placed.
- 15. The bid period shall be effective from July 1, 2016 through June 30, 2017.
- 16. CONFLICTS OF INTEREST

SPECIAL CONDITIONS FOR THE 2016-2017 LINE ITEM BID

- The district office will issue purchase orders for the awarded items for delivery to their respective location. All orders from this bid will come from Shelley Todd, at the district office. All prices quoted will include any or all freight charges.
- Items that do not comply with the general conditions or specifications of this bid will be returned at the vendors' expense. This includes items of poor quality that are received damaged, etc. and are unusable.
- All orders placed shall be delivered within 7 working days from the day the order is placed.
- Deliveries are to be made to the Board Office, or occasionally to any of our other facilities/locations.
- **Prices on awarded items shall be in effect from July 1, 2016 through June 30, 2017.**
- **If for some reason a vendor is unable to continue providing an awarded item during this bid cycle, it is the responsibility of the vendor to find a comparable item and honor the bid price for the term of the bid. If you are not able to hold your price for the term of the bid- please do not respond.**
- These specified items will be used in the entire Pulaski County School System.
- Bids are evaluated based on best overall value. This will be determined by customer service, quality of merchandise, delivery time and best price.
- The Pulaski County Board of Education reserves the right to periodically evaluate the service of the awarded vendor and award the bid to the next best valued bidder if it is in the best interest of the district. Reasons for cancellation may include, but are not limited to, slow service, incorrect billing procedures, excessive backorders or excessive order cancellations.
- The awarded bidder must provide a toll free number and/or an email address for all purchasing.
- There are no minimal order guarantees with this bid. We order according to the needs of our district. The needs change constantly.
- Please bid the item numbers listed on the bid when possible. If you are bidding a substitute from what is requested you must include a sample of the item you are bidding. If a sample is requested and not included with your bid, you will **NOT** be awarded that item.
- A committee will review the responses to the 2016-2017 School Works Line Item Bid. We will narrow the award to the most successful bidders. Limiting vendor award is in the best interest of Pulaski County Schools because it limits the number of purchase orders and checks that have to be cut and saves time in placing orders.

This bid is due on May 20, 2016 at 2:00pm., to the Pulaski County Board of Education Office. The office is located at 501 University Drive, Somerset, Kentucky. A committee will review the bids and a recommendation will be made on the award of the bid items. The bid is scheduled to be awarded at the June Board meeting. Your company will receive a copy of the award results by the end of that week.

Thank you for taking the time to respond to our School Works Line Item Bid. Be sure to send samples when they are requested so that we can consider your response. If you have any questions, feel free to contact Shelley Todd via email at shelley.todd@pulaski.kyschools.us
