## Early Childhood Health Assessment Record

(For children ages birth–5)

**To Parent or Guardian:** In order to provide the best experience, early childhood providers must understand your child’s health needs. This form requests information from you (Part 1) which will be helpful to the health care provider when he or she completes the health evaluation (Part 2) and oral health assessment (Part 3). State law requires complete primary immunizations and a health assessment by a physician, an advanced practice registered nurse, a physician assistant, or a legally qualified practitioner of medicine, an advanced practice registered nurse or a physician assistant stationed at any military base prior to entering an early childhood program in Connecticut.

## Part 3 — Oral Health Assessment/Screening

**Health Care Provider must complete and sign the oral health assessment.**

To Parent(s) or Guardian(s):

State law requires that each local board of education request that an oral health assessment be conducted prior to public school enrollment, in either grade six or grade seven, and in either grade nine or grade ten (Public Act No. 18-168). The specific grade levels will be determined by the local board of education. The oral health assessment shall include a dental examination by a dentist or a visual screening and risk assessment for oral health conditions by a dental hygienist, or by a legally qualified practitioner of medicine, physician assistant or advanced practice registered nurse who has been trained in conducting an oral health assessment as part of a training program approved by the Commissioner of Public Health.
