## PRINCIPAL'S MESSAGE

Dilworth Family,

It was such a treat to watch the 5<sup>th</sup> grade Shakespeare performances last week! Our students and those community members who were able to attend were witness to 5<sup>th</sup> graders who really took on their roles, worked to understand and bring their characters to life. That they did! We are excited to be moving ever closer to what normal was. Bringing these performances back, even in some modified form, is a breath of fresh air and has really helped to lift spirits around the building. We look forward to being able to have our community back for performances etc.

Our Art night, though not what it has been, will be quite a bit more like normal than last year. We look forward to that, mark your calendars for May 5<sup>th</sup>. We appreciate your continued support.

Kind regards,

Richard Squire, Principal

Felicia Wood, Assistant Principal

## ART NIGHT DONATIONS FOR SILENT AUCTION!

Art Night is back this year and we are so excited about it! Did you know the silent auction brings in the most money for our arts and music program? Well, it doesn't happen without donations from local businesses and families! If you have any items, services or the like to donate, **WE WANT THEM!** Please contact Danielle Perry at (801) 859-4830 or Brecken McNeil at (801) 859-4830 to donate items!

### YEARBOOKS

It's time to get your Dilworth yearbooks ordered. Yearbooks are \$15 and will be handed out at the end of the school year. Here are the steps to order:

1. Go to [yearbookordercenter.com](http://yearbookordercenter.com)
2. Input our Dilworth code: 11880
3. It should show Dilworth Elementary PTA - click continue.

4. Click "order a yearbook".
5. You can adjust the quantity you want then click continue.
6. In the menu that pops up, click student.
7. Type in your student's name and click find student.
8. Unless you have already ordered, it will say "No Results Matched Your Search" then click "Click here to add your student".
9. Enter their first and last name and grade - if you don't enter each of your children, we won't know which class to deliver them to, so please add each child you are ordering for.
10. Once you hit continue, it should say it added your student. Click ok, then next.
11. Once all the information looks correct, click check out and it will bring you to a place to enter your credit card information.

If you are wondering if you already ordered a yearbook at the first of the year when you ordered pictures, you *did not*. This is the first time yearbook orders have opened up this year. **Orders need to be placed by April 4th!** If you have any questions or any problems with ordering, please contact Jenny Jensen (801-502-3359) or Kristie Sharp (801-618-7193).

If you have taken any photos at the school this year that you want included, we are still collecting candid photos until March 25th. You can send them to [dilworthphotos@gmail.com](mailto:dilworthphotos@gmail.com). If you take photos after March 25th, please still send them in because we can use them in the end of year slideshow, but they will not appear in the yearbook. If your child didn't have their picture taken with Interstate Studio at the beginning of the year, please send us a photo of your child so they can be included in the grade level portraits.

### **GIRLS ON THE RUN!!**

Hey Girls grades 3-6!! We have the amazing opportunity to have the "Girls on the Run" program at Dilworth again! The program runs from April 6<sup>th</sup> - June 4<sup>th</sup> and will be held on Wednesday afternoons from 3:25-5:25. The program includes weekly lessons on all things Girl Power, friendship, running and healthy lifestyles. We will work our way to running a 5k at Sugarhouse Park for the final week. This is a great way to get introduced to exercising and running, as well as meeting new friends and learning life lessons.....with support from two coaches. Bring your friends and come have fun with us! Register at <https://www.pinwheel.us/register/index/spring-2022-program-registration>

### **LIBRARY NEWS - Dragons Are Readers!**

March is National Reading Month! ***SOAR to new Heights with Reading!***

WOW! The Book Fair was a "Happenin' Place!" last week. Students and the community were so happy to be In-Person. It felt like pre-Covid times!!! What a joy to see smiles on so many faces! Thank you for your support! I sincerely appreciated the PTA parents who helped set-up, take down, and cashier. The Book Fair would not happen without their help. I was able to purchase a \$1,000 worth of books for our students and library!

**CAUGHT SOME DRAGONS READING** - Annual Photo Event runs now to April 30<sup>th</sup>

Students will be encouraged to be "Caught Reading" over the Spring Break, wherever they may roam!!! Take your pics and email them to Mrs. Park at [Rachelle.park@slcschools.org](mailto:Rachelle.park@slcschools.org) and maybe your pic will be up on our walls in the Dilworth Library for the coming year!!! Don't be shy! I'd like to receive everyone's picture reading something over Spring Break!!!! Think of the many things you might be caught reading over the break and send those pics in!!! Have fun with this idea and be creative!

## **TAKE NOTE!**

In the months of February and March, Dilworth students, Kindergarten through Third Grade, have attended music classes with Mrs. Berg and learned about the composers DEBUSSY and MOZART. I shared with them one of my MOST favorite musical compositions, *Claire de Lune*, by Debussy. We talked about IMPRESSIONISM and using our own imaginations to interpret what we hear in the music, maybe it's the sun setting and the moon rising, maybe it's the stars shining or the reflection of it all dancing over rippled water. We talked about Mozart and his enthusiasm for life! We listened to William Zhang, at age 6, play Piano Sonata No. 16 in C Major 1st movement. The children enjoyed watching for his gigantic smile as he finished his piece. He's incredible!

Along with learning about these composers, we talked about TEMPO markings, the speed of music. We listened to the METRONOME and sang our songs in all different momentums from LARGO and ALLEGRO, to ADAGIO and PRESTO!

We enjoyed a little Irish Dancing and even tried some ourselves as we sang a song for St Patrick's Day and listened to the bagpipes play.

We LOVE to SING in music class! Each grade is focusing on songs that they will be performing in their upcoming grade programs to celebrate the end of the school year. For example, our Kindergarteners are singing about making friends and our Second Graders are learning about how each of us are uniquely wonderful.

Be sure not to miss our fourth graders sing about our great state of UTAH this Thursday and Friday! You are invited to attend our very FIRST program in TWO YEARS!
