ALL

Welcome Back!

Reading Ambassadors will meet **today after school** in the library to prepare for the HPL author event featuring Mrs. Moore. The event will be held on **April 20th at the Harrison Public Library at 7:00pm**. *All are invited!*

The National Honor Society Induction Ceremony will be held **tomorrow (Tues) at 7:00pm** at Harrison High School. Congratulations to all our inductees!

The 2022 National Autonomous Vehicle Expo aims at spreading awareness on the engineering, ethics, and policymaking of this emerging technology through speaker and workshop sessions as well as a hackathon. This is a great opportunity for students to not only learn about autonomous vehicles through speakers from industry-leading companies, such as Motional and Waymo, but also work on a small project of their choosing using the concepts that they've learned and their creativity. Students will also learn about various career paths in this growing field. The expo will be a 2-day virtual event held on Zoom from April 16th to 17th. Visit the website to learn more about this event (avexpo.org), the hackathon registration link (autonomous-vehicle-expo.devpost.com), and promotional flyer (avexpo.org/files/flyer.pdf).
