SBDM Non-Student Account Policy

As per the Kentucky Department of Education - Accounting Procedures for Kentucky School Activity Funds, Redbook, the principal and SBDM council may approve expenditures for accounts without student involvement. The purpose of this policy is to grant the principal allowance to approve expenditures from non-student involvement accounts up to \$1000.00. Any expenditure that would exceed that limit would need approval from SBDM. The principal may receive initial approval from all members via electronic means when timing is of the essence. The expenditure will be formally approved at the next SBDM meeting.

Allowable Expenditures:

12) Other allowable expenditures approved by members of the student organization or by the principal and SBDM council for accounts without student involvement; (Redbook, 19)
