

Portrait of a Graduate Implementation Guidelines 2019 - 2020

STUDENTS in grades 3-12:

- Utilize the Portfolio section within Schoology to upload evidence into a *Portrait of a Graduate* folder.
 - Within the Portfolio section of Schoology, students *submit artifacts as they relate to each of our Portrait of a Graduate competencies*: Courageous Leader, Empathetic Collaborator, Creative Problem Solver, Curious Critical Thinker, and Global Communicator.
 - *Submissions will be labeled by the Portrait of a Graduate competency in which they most congruently align.*
- Curate at least *one (1) artifact throughout the school year in each of the five (5) Portrait of a Graduate competencies - five (5) artifacts in total.*

** For **STUDENTS in grades P-2**, teachers will curate students' work with at least *one (1) artifact throughout the school year in each of the five (5) Portrait of a Graduate competencies - five (5) artifacts in total.* This will be supported through an alternative platform (to be determined). Additional guidance and direction will be provided. **

All TEACHERS (P-12):

- Submit to their Principals at least *two (2) pieces of evidence that exemplify one or more of the Portrait of a Graduate competencies.*
 - *Reflect upon the level of complexity* in which the evidence most closely aligns from the Instructional Blueprints.
