

Fort Thomas Independent Schools Kindergarten Registration Begins in **January**

Kindergarten Readiness Skills Checklist

- Recognize numbers in your environment (telephone number, street address).
- Encourage your child to write. Provide several types of writing supplies to make writing interesting.
- Encourage your child to talk about their day.
- Say the parts of the body while getting ready for the day.
- Take your child to the park or local playground and encourage them to climb on the play structures with your supervision.
- Ask your child to help you sort the laundry. Can your child help you find matching socks?
- Find shapes around your house (circle, oval, rectangle, square and triangle).
- Use the numbers 1-10 to label an item (rocks, cups, or scrap paper).
- Ask your child to use household items to count to 10.
- Have conversations with your child throughout the day. Be sure to listen and respond.
- Encourage your child to read to you. Ask your child to look at the pictures and tell you the story.
- Talk to your child about their friends.
- Discuss the rule in your house. (Praise your child when you see them following the rules well).
- Make new friends while playing outside at the park.
- Be a nice friend to others.
