

## **The Katz Library**

The Katz Library for the Upper Division is a central hub of student activity at Horace Mann School. Between making reading recommendations for pleasure reading, helping with databases, or assisting in finding books for specific projects, the librarians and staff are always available to students and faculty.

Because we believe that research skills should not be learned in a vacuum, but rather should be tied to curricula, librarians work closely with faculty and students to provide detailed instruction around specific assignments. To this end, the library collects heavily in the areas that will support the curriculum and we consistently order books upon request.

The Library's collection houses more than 54,000 books and ebooks, videos, DVDs, and audiobooks, as well as many magazines. In addition, the Katz Library subscribes to roughly fifty research databases that are available 24/7 through remote access with a student or faculty ID. The library provides seating for 180 students, with soft-seating areas for comfortable leisure reading and studying. Over forty laptops are available for student use in the library, as well as twenty desktops. Seven group study rooms, located on both floors of the library, allow students to work collaboratively. One of these rooms also serves as a research classroom where classes meet to work with librarians and their teacher.

Throughout the school year, the Katz Library hosts a variety of special events, such as Library Spirit Day. One of our most popular programs is Lit Chat, where students discuss books they are currently reading for pleasure and for school over lunch together. The group discussions frequently focus on beloved books that are being made into movies or television series.
