What has been the most effective professional development in which you have participated

PLC's with my coworkers are the most valuable to me. I also participate in learning about my subject outside of school from state offered seminars.

Any PD in regards to technology.

The most effective professional development that I have participated in is the Phonics First, Orton-Gillingham training program last year.

I dont know right now what they need to do better but i know everything can get better

i cant think of any changes that could be made

Open the school up and let parents in the building.

Q3 - Please comment about what your school or district does well. (Optional)

They teach them a lot and make our kids feel safe and loved

they are good at givind award to us for our good work and behavior

Wasting tax dollars.

CPS does a great job of communicating with parents. Mrs. Newsom is always
