

## LINKING ADDITIONAL STUDENTS TO YOUR CANVAS PARENT ACCOUNT.

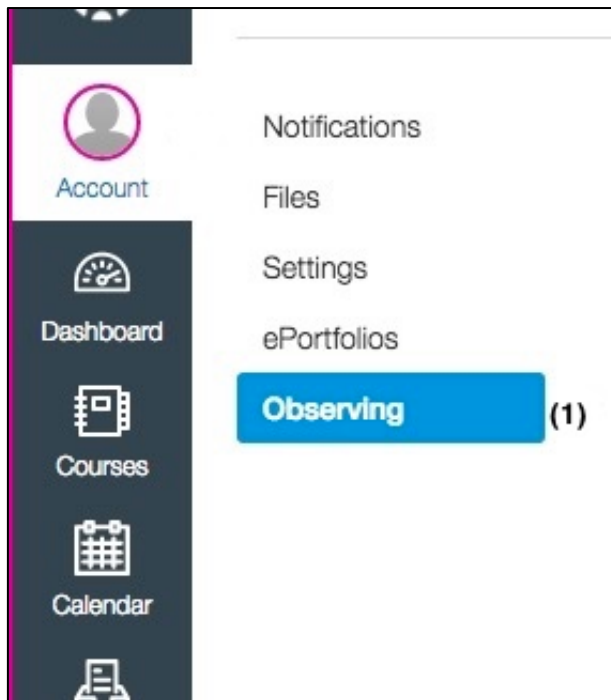

*You must first create a Canvas Parent Account*

**THEN**

**Click on the “Account” Tab then click “Settings”**

Click “Observing” (1)

In the fields to the right enter the Username (1) and Password (2) for the student you wish to ADD then click "+ Student" (3)

The screenshot shows a user interface with a dark sidebar on the left containing navigation icons for Account, Dashboard, Courses, and Calendar. The main content area has a menu with options: Notifications, Files, Settings, ePortfolios, and Observing (highlighted in blue). The 'Observing' section is titled 'Observing' and contains two input fields: 'Username' (1) and 'Password' (2). Below these fields is a blue button labeled '+ Student' (3). Underneath the button is a section titled 'Students Being Observed' with a horizontal line below it.

The new student will be added to your list of students you are observing.
