## ***Most memorable moment at Bay View:***

I have very few clear memories but the one that stands out is sophomore year at the Battle of the Bands when the band our class brought in for the fundraiser played Louie Louie and sang ALL the words – I knew then that we were toast!

## ***Message to the Class of 1970:***

I've realized relationships that I may not have had in high school, but which grew out of a reunion/reconnection in 2010, have become some of the most meaningful friendships I've ever known. My message: Now that we've found each other let's never let go!
