## **New Café Paint Job!**

Our painters Gus and Diane were able to get much of the work done over Spring Break, offering a surprise to our students after returning from the break!! There were lots of smiles at arrival. Gus and Diane will be coming back in the evenings during this week and next week for touch-up work. Our next goal is to add some signage to the walls.

Thank you to our PTO and Families for all of their fundraising efforts!

# It's TIME FOR SPRING PICTURE DAY - APRIL 6!

Spring Picture Day is Wednesday, April 6 for students who haven't had their photos taken yet due to absence or being new, or for families who simply like to keep current photos of their kiddos.

Photos can be ordered online (*easiest!*) using the order form/information found at <u>this link</u>. Order forms for those who prefer not to order online are being sent home with student this week.

Online orders are placed at <u>mylifetouch.com</u> using the **Picture Day ID EVT677TT7**.

Cash payments require exact cash - neither Lifetouch nor the Adena office can make change for you.

Payments by check should be made out to Lifetouch - NOT Adena Elementary.

**NEW THIS YEAR:** Classroom group photos are available <u>only</u> as part of a package purchase, beginning with the lowest \$14.99 package. The lowest package provides an 8" x 10" photo, a digital copy of the image, and the classroom photo.

"If you attend one district event all year long, this is the one you want to attend," said Lakota Superintendent Matthew Miller. "We touch on all the major highlights of what's happening across the district and what's to come. As always, I'm excited to share the stage with some of our students and staff."

#### **SEEN Parent Workshop Coming May 6**

Whether you're a parent, teacher, counselor, or neighbor, seeing kids and teens dealing with difficult emotions can be scary - BUT there is hope!

Center Pointe Christian Church (CPCC), in partnership with Lakota Local Schools, is hosting a special parent workshop on Friday, May 6 to help encourage, empower and equip parents to connect with their children even during the most difficult times.

The workshop features co-authors of best-selling book SEEN. Will Hutcherson is the founder of Curate Hope and Chinwe Williams, Ph. D. is a Board- Certified, Licensed Professional Counselor and owner of Meaningful Solutions Counseling and Consulting. With their help, we will be tackling the important topic of mental health for our kids. The goal is to help attendees understand how the brain works when it's in despair and how to offer simple tools you can use each day that point to HOPE.

The program will be held at CPCC, located at 5962 Hamilton Mason Road, from 6-8:30 p.m. Free childcare will be provided through fifth grade. Tickets are \$25 per couple or \$15 per single. <u>Purchase tickets on the CPCC website.</u> Click here to view the program flyer.
