- Budget is balanced with Revenues equaling Expenses.

Expense Drivers

■ Instructional ■ Facilities ■ Technology ■ Administration

Expense Assumptions

- Total **personnel expenses** are budgeted to increase approximately \$2,851,580 which is the result of the following factors:
 - 4.6% average increases for teachers
 - 5.0% average increases for non-teachers
 - 3.0% average increase for instructional support staff
 - Healthcare costs planned to increase between 12% to 15% (assumes no plan changes)
 - Additional instructional staff to help support learning recovery
 - An increase in Georgia Teacher's Retirement System (TRS) from 19.81% 19.98%
 - The budget includes a \$725,000 faculty contingency fund for bonuses.

Expense Assumptions – Cont'd

- **Instructional non-personnel** expenses are projected to increase by a modest \$31,116.
- Grants continue to provide major support for instructional non-personnel expenses at \$1.9M.
- Repayment of any reserves used for capital projects in FY22 are budgeted in FY23 Facilities and Technology non-personnel.

Preliminary Funding Priorities

- **Learning Recovery and Resilience**
 - Additional staff for academic and mental health support.
 - Stipends to support summer, Saturday and after-hours programming.
 - Academic software, materials and supplies.
- **Teacher and Staff Retention**
 - In order to retain our best and brightest, we are continuing to follow APS's compensation strategy.
- **Strategic Focus On Equity**
 - Professional development training for staff.
 - Guest and speakers for classes or school-wide events.
 - Designated specific funds for Equity work in the operating budget.

2022-2023 Outlook

- We expect revenue growth driven by increases in local revenue, QBE funding, and zero austerity cuts.
- Salary increases to offset cost of living adjustments and provide competitive wages to teachers and staff.
- ESSER 2 and ESSER 3 will continue to provide budget relief for general operations while support academic initiatives to address learning recovery.
