

Principal Update

Hello ICS Families,

I wish everyone a relaxing and fun time away next week! See you on April 11.

SBA Schedule

Each spring, all Washington public school students in grades 3-8 and 10 are assessed in English Language Arts (ELA) and math using Smarter Balanced Assessments (SBA). Students in grades 5, 8 and 11 are also assessed in science using the Washington Comprehensive Assessment of Science (WCAS). Results from these assessments provide meaningful feedback and data that teachers and other educators can use to help students succeed. The results provide data to help evaluate school-level and district-wide instructional strategies, initiatives, and other programs.

School starts at 7:30 for testers. School starts late for all non-testing students. Please review carefully as times are not the same each day. The **green highlighted time is when school starts for non-testers.**
