## Scholarship Application

The Rodanthe-Waves-Salvo Civic Association offers scholarships to graduating high school seniors.

Scholarship funds can be used for continued education and career development after high school - be it university, community college or trade school/program. Applications are reviewed annually in the spring. Funds are distributed directly to the educational institution. Each scholarship is for \$600.

To be eligible, applicants must be full-time residents of Rodanthe, Waves or Salvo or be the dependent of a full-time permanent resident. A brief application and interview are required.

There is a two-year window for eligibility beginning the high school graduation year. If a student does not pursue a scholarship the first year, they may still apply the second year of eligibility. First year applicants can apply to renew the scholarship for a second year.

Completed applications can be sent by email to [rwscascholarship@gmail.com](mailto:rwscascholarship@gmail.com)

**DEADLINE FOR SUBMISSION: May 2, 2022**

PO Box 323, Rodanthe, NC 27968
