# The Plover Program @ the Hub

At long last, with the addition of dedicated space at our Hub building, Scarborough Community Services is finally able to bring back a much-needed and highly-anticipated pre-school program. Open to children ages 4 and 5 entering Grade K in school year 2022-23, the Plover Program will help your children work towards the social, physical, and academic skills they will need for Kindergarten and beyond. Some of the goals of the program include:

- Recognizing letters and some of their sounds
- Recognizing and writing first name
- Recognizing some common words
- Recognizing and printing some numbers
- Recognizing basic shapes and colors
- Using words like "please" and "thank-you"
- Asking for help
- Learning to take turns and share
- Ability to self-dress
- Taking responsibility for belongings
- Adjusting to new situations
- Learning to express appropriate emotions
- Putting puzzles together
- Building with blocks
- Cutting with scissors
- Bouncing, throwing, kicking, and catching a ball
- Beginning to understand the passing of time
- Moving to a beat

A combination of free-play time and group activities and discussions allow the children to practice the social readiness skills necessary to begin Kindergarten with a positive self-image. Fun themes (seasons, weather, holidays, feelings, etc.) will be incorporated throughout the year to make foundational learning outcomes that much more relatable and memorable. There will also be weekly scheduled time for music, art, gym, and outdoor exploration, a key piece to teaching the whole-child.

Our program respects the uniqueness of each child and their family and works together with all our families to provide children with an experience that fosters a lifelong love of learning, while allowing children to play, learn and grow at their own pace.

The Plover Program will follow the Scarborough School's calendar as it relates to no-school days, school vacations, and snow days. Students will be accepted on a first-come, first-served basis, with a waitlist taken should we exceed our maximum headcount of 15.

**Monday through Friday**

**8:00 am to 12:00 noon**

**Min 10, Max 15**

**Registration Fee** (*non refundable*): \$125 per child

**Billing:** \$175 per week (*billed monthly*)
