

THEORY OF ACTION

*a logical chain of reasoning that explains
how change will lead to improved practices

If we...

are seen, valued and respected for who we are and the work we do

are in partnership with our child's education and feel welcomed,
valued, and respected as a family

feel safe and understand what is expected from us at school

are held accountable but not overwhelmed in a comfortable
learning environment

work in a district that is willing to adapt and change when necessary
to best meet the needs of all students

know our child is challenged and has ownership in how they demonstrate growth

are stewards of the system that support our pathways for our graduates

have a voice and choice in how and what we learn

&

...then

**WE ARE PREPARING ALL LEARNERS
TO MAKE A DIFFERENCE IN THE WORLD.**
