1. **Contracts:** The authority to approve all contracts or agreements entered into on behalf of the Academy, as permitted by law and the Contract, remains within the sole discretion and exclusive authority of the Board of Trustees of the Academy (the "Board"). The Board may delegate to a Board designee the authority to negotiate tentative contracts and agreements on behalf of the Academy. Tentative contracts and agreements entered into on the behalf of the Academy must be executed by the Board President, Vice-President or Secretary/Treasurer.

3. **Bidding:** The Academy shall receive competitive bids prior to the procurement of any supplies, materials, and/or equipment consistent with the requirements of the state competitive bid threshold per item or group of items purchased in a single transaction. With all things being equal, award of procurement shall be given to that bidder with the lowest price, consistent with quality and delivery.
