

Why Summer Camp @ CDS?

Community Day School is an independent day school nestled in the heart of Sarasota - our 8.8-acre campus is the perfect place for children of all ages to play, learn, and grow throughout the summer.

Our state-of-the-art campus includes air-conditioned indoor and well-shaded outdoor athletic facilities that allow for flexibility and safety during weather changes. Two brand-new buildings and additional renovated spaces offer over 30 unique classrooms where campers can unwind in between activities.

Our partnerships with local organizations allow us to bring incredible coaches and artists for enrichment activities each week, while our unmatched teaching staff continues to support every young person who arrives on our campus with very low camper:staff ratios.
