Seattle Preparatory School
AP Computer Science Teacher
Position Announcement for 2022-2023 school year

School Mission and Description:
Seattle Preparatory School is a Catholic, Jesuit college preparatory school with an enrollment of 785 students. Seattle Prep is guided by its mission statement: *We embrace the Ignatian ideals that God may be found in all things, that each person is sacred and that we are created to serve others in community. Our mission is to form discerning, transformational leaders who are intellectually competent, spiritually alive, open to growth, loving and committed to justice.* Located in the North Capitol Hill neighborhood of Seattle, Seattle Prep seeks qualified professionals to partner in our mission of forming "men and women for others."

Job Description
We are seeking a part-time Advanced Placement Computer Science instructor, effective August 2022.

AP Computer Science Course Description:
The course emphasizes object-oriented programming with a concentration on problem solving and algorithm development, and is meant to be the equivalent of a first-semester college-level course in computer science. It also includes the study of data structures, design, and abstraction. This course is based on the University of Washington's CSE142 course. It prepares students to take the AP Computer Science A test in May. <u>The class is taught at zero hour, 6:45-7:40 on Mondays, Tuesdays, Thursdays, and Fridays.</u>
