Re-Opener Agreement

As per Article XXI, Section 21:02 whereas as the Federation has the right to reopen negotiations on salaries for the 2021-2022 school year, both parties agree to the following:

One pay level (step) increase, in addition to the already approved pay level (step) increase, for all employees effective July 1, 2021.

This would mean 2 steps for all employees for the 2021-2022 school year:
