### WHY PARKS?

The benefits of living close to a vibrant neighborhood park are endless. That’s why The Trust for Public Land, in partnership with the National Recreation and Park Association and the Urban Land Institute, is leading a nationwide movement to ensure there’s a great park within a Ten Minute Walk of every person, in every neighborhood, in every city across America.

West Hartford shares the conviction that quality parks are a right, not a privilege. Eighty percent of our residents live within a ten minute walk of a public park or playground. So get outside and experience The Great Outdoors at your local park!
