

# Parent Consent for Bus Transportation from Federal Way High Schools to Puget Sound Skills Center

Transportation will be provided to and from Federal Way School District High Schools. Please return this form prior to the start of summer session on June 22, 2022. We also ask if your child is riding the bus, that you stay with them the first day until your child boards the bus. If we do not receive a form before 6/22, your child must have the form with them, or they will not be allowed to ride the bus. Federal Way Transportation requires students to present a student ID issued by a Federal Way school upon boarding. If the student doesn't have an ID, they will be denied access to the bus. Students can only ride the bus they have chosen; the bus drivers have been instructed to not let students switch because they want to ride with a friend to a different destination.

The buses are scheduled to pickup and drop off students at these scheduled times. Please be sure to have your child to the pickup points BEFORE the scheduled leave times. Times may change if enrollment warrants, students will be advised via the PA system at PSSC.
