## News from Guidance

Next week, the fifth and third graders will be taking the Ohio's State Test in math. Students have the opportunity to have the test read aloud to them by using a text-to-speech feature. Your child will need to bring in headphones to access this tool. 5th grade will be testing Tuesday and Wednesday, and 3rd grade will be testing next Thursday and Friday. Mr. Bickley will be working with second grade starting tomorrow. We will be learning about the differences between tattling and reporting. We'll also be reading A Bad Case of Tattle Tongue.
