

STUDENTS

Interscholastic Athletics

The Board of Directors recognizes the value of a program of interscholastic athletics as an integral part of the total school experience to all students of the District and to the community.

The program of interscholastic athletics shall include all activities relating to competitive sport contests, games or events, or sports exhibitions involving individual students or teams of students of this District when such events occur between separate schools within the District or with any schools outside the District.

All facilities and equipment utilized in the interscholastic athletic program shall properly safeguard both players and spectators and keep them free from hazardous conditions.

All interscholastic activities and events shall follow the rules and regulations of the District and the Washington Interscholastic Activities Association (WIAA). Prior to participation, all students must comply with all school, District, and WIAA requirements.

E-Sports may operate independent of WIAA requirements. E-Sports activities and events shall follow the rules and regulations of the District. Games used in E-Sports must receive approval from the Executive Director of Information Technology and the superintendent/designee.

The Superintendent or his/her designee shall annually prepare a program of interscholastic athletics for the school year. Rules shall be prepared for the conduct of student athletes including academic achievement and citizenship. Rules and disciplinary measures shall be distributed to each participant and his/her parents prior to the beginning of an athletic season. The district shall evaluate its athletic programs periodically to ensure that equal opportunities are available to members of both sexes.
