Statement Concerning Your Employment in a Job Not Covered by Social Security

Employee Name	Employee ID#
Employer Name Athens-Meigs ESC	Employer ID# (social security number) 31-1599475

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

For More Information

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security Benefits.

General Instructions

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2021 if you meet both of the following conditions: you had no federal income tax liability in 2020 and you expect to have no federal income tax liability in 2021. You had no federal income tax liability in 2020 if (1) your total tax on line 24 on your 2020 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2021 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2022.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

- 1. Expect to work only part of the year;
- 2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
- 3. Have self-employment income (see below); or
- 4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 972, Child Tax Credit and Credit for Other Dependents. You can also include other tax credits in this step, such as education tax credits and the foreign tax credit. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2021 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3	1	\$
2	Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. 	b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount	_	٠

	Step 4(b) - Deductions Worksheet (Keep for your records.)		#
1	Enter an estimate of your 2021 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$

4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$

Notice to Employee

- For state purposes, an individual may claim only natural dependency exemptions. This includes the taxpayer, spouse and each dependent. Dependents are the same as defined in the Internal Revenue Code and as claimed in the taxpayer's federal income tax return for the taxable year for which the taxpayer would have been permitted to claim had the taxpayer filed such a return.
- You may file a new certificate at any time if the number of your exemptions increases.

You must file a new certificate within 10 days if the number of exemptions previously claimed by you *decreases* because:

- (a) Your spouse for whom you have been claiming exemption is divorced or legally separated, or claims her (or his) own exemption on a separate certificate.
- (b) The support of a dependent for whom you claimed exemption is taken over by someone else.
- (c) You find that a dependent for whom you claimed exemption must be dropped for federal purposes.

The death of a spouse or a dependent does not affect your withholding until the next year but requires the filing of a new certificate. If possible, file a new certificate by Dec. 1st of the year in which the death occurs.

For further information, consult the Ohio Department of Taxation, Personal and School District Income Tax Division, or your employer.

- 3. If you expect to owe more Ohio income tax than will be withheld, you may claim a smaller number of exemptions; or under an agreement with your employer, you may have an additional amount withheld each pay period.
- 4. A married couple with both spouses working and filing a joint return will, in many cases, be required to file an individual estimated income tax form IT 1040ES even though Ohio income tax is being withheld from their wages. This result may occur because the tax on their combined income will be greater than the sum of the taxes withheld from the husband's wages and the wife's wages. This requirement to file an individual estimated income tax form IT 1040ES may also apply to an individual who has two jobs, both of which are subject to withholding. In lieu of filing the individual estimated income tax form IT 1040ES, the individual may provide for additional withholding with his employer by using line 5.

New Fraud Reporting Law Requires Notice Procedures for Both Old and New Employees, Action by May 4

Bricker Bullet No. 2012-03

April 12, 2012

On February 2, Governor John Kasich signed into law <u>Substitute House Bill 66</u> (eff. 5-4-12), which mandates the creation of a system in the office of the State Auditor for making reports of fraud, "including misuse and misappropriation of public money," by any public office or public official. The system must allow the reports (which are referred to in the law as "complaints") to be made anonymously by any public employee or resident of the State of Ohio through a toll-free telephone number, the <u>State Auditor's web site</u>, or the regular U.S. mail. The State Auditor is required to maintain a log of all complaints and to "review all complaints in a timely manner." The log must be open to the public, subject to any redactions permitted under the Ohio Public Records Law (ORC 149.43).

The new law requires all public employers to take steps to ensure that their employees are aware of the fraud reporting system. New employees must confirm receipt of information about the system within 30 days of beginning employment. (The State Auditor has created a <u>model form</u> for this purpose.) Existing employees must be provided information about the fraud reporting system as soon as the new law takes effect (May 4, 2012).

It should be noted that public employees who make a report under the State Auditor's system are provided a measure of protection from retaliation by their employers. The new law extends the protections currently available under Ohio's "Whistleblower Law" to public employees making reports under the State Auditor's system. (See <u>ORC 124.341</u> as amended by the bill.)

Athens-Meigs Educational Service Center

21 Birge Drive, P.O. Box 40 Chauncey, OH 45719 www.athensmeigs.com

Direct Deposit Policy - Adopted February 23, 2012

It is the policy of the Athens-Meigs Educational Service Center that all employees be required to use direct deposit to receive payroll related payments. In accordance with federal requirements regarding direct deposit of payroll, the employee may select the financial institution of his/her choice to accommodate the receipt of direct deposit payments.

All employees currently receiving their pay by direct deposit shall continue to be enrolled in the direct deposit feature.

All employees employed who are receiving their pay by paper warrant (check) shall be required to enroll in the direct deposit feature by completing the appropriate enrollment form. The deadline for enrolling is June 30, 2012.

As a condition of employment, all newly hired or rehired employees on or after July 1, 2012 shall be required to enroll in the direct deposit feature within thirty (30) days of hire or rehire. Any such employee who does not complete the appropriate direct deposit enrollment form within 30 days of hire or rehire, and who is not granted an exemption as provided for herein, may be subject to dismissal.

All payroll related payments shall be made in accordance with any state and federal regulations which requires the delivery of payment to the legally designated recipient by United States mail or its equivalent, including electronic funds transfer.

An employee may be exempted from participating in the direct deposit feature if he/she does not have an account at an eligible financial institution, and further provides evidence that he/she cannot obtain an account at an eligible financial institution.

In his/her role of prescribing the manner in which agencies make disbursements, the Superintendent or designee has exclusive authority to grant any exemption form the direct deposit requirement. A personal exemption may only be granted for the reason stated above (i.e., unable to acquire an account at a financial institution) or other specific situation that the Superintendent or designee may deem to be an extreme hardship. An employee desiring to request an exemption from the direct deposit requirement shall do so by submitting such request in writing to the Superintendent or designee.

For those employees who are granted an exemption, the Superintendent or designee may secure and offer other payment methods as options, other than paper check, when such options may become available.
