This can include an order to remove the dumpster. Notice will served in writing, sent by certified mail to the last known address of the alleged violator. Upon three days of the written notice, a written request may be submitted to request a hearing before the Board. In the event the Board of Health, its agents or employees deem that the health, safety or welfare of the occupants or residents of the City of Medford is jeopardized and that an emergency exists, it may order all dumping terminated, and the dumpster removed, pending a BOH hearing
