# Participation in Graduation Ceremony

All seniors who are eligible to participate in the Commencement Ceremony are encouraged to take part in this event. Participation is not mandatory nor a condition for the completion of graduation requirements.

Commencement is the most formal activity of a student's high school career and it represents the school district's public acknowledgement of high school completion. The cap and gown are formal educational attire and students choosing to participate in commencement must dress appropriately.

**Dress code -- semi-formal -- shirt/tie, dress, slacks, dress socks, dress shoes;**

**PLEASE WEAR FLAT SHOES**

**NO SHORTS OR SUNGLASSES**

No flowers or other adornments (other than those issued by SAHS) are to be worn on the gown/cap or carried into the arena.

# Conduct at the Ceremony

Commencement is regarded as the most formal of scholastic ceremonies. Students, parents and guests are expected to act in a dignified manner. Inattentiveness and/or talking during the ceremony is inappropriate. Beach balls or noise makers such as whistles, aerosol horns etc. are not allowed in the arena. The use of these items distracts from the dignity of the ceremony and the ability of the audience to hear names as they are called. Students and guests who are disruptive to the ceremony may be pulled from the ceremony and not allowed to participate.

**STUDENTS ARE NOT TO USE CELL PHONES DURING THE CEREMONY**
