# Note from Ms. Powell

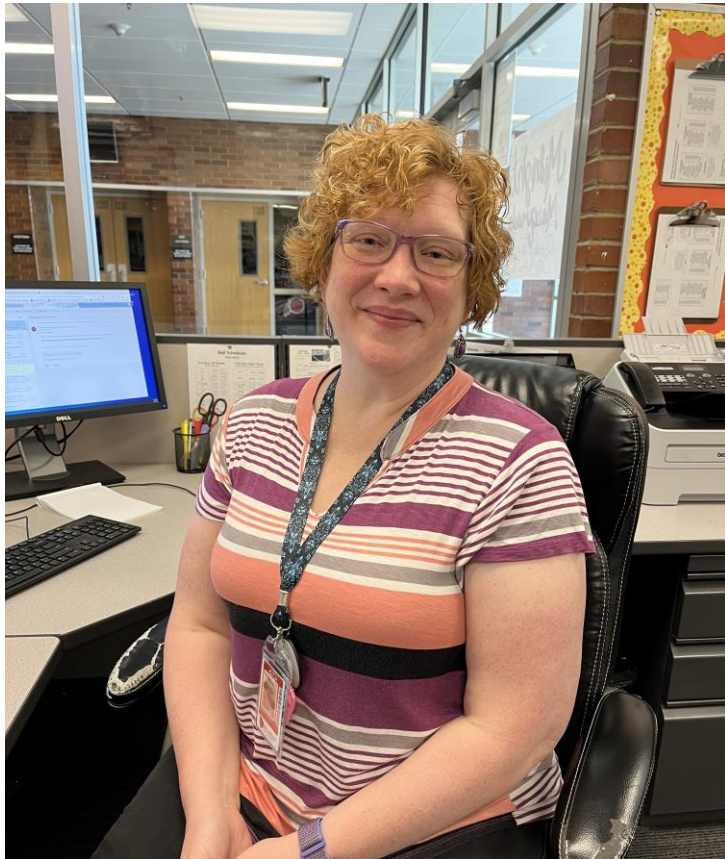

SLCSE Families,

We have had a busy few weeks. Students competed in the District Science Fair and Poetry Out Loud competitions, trained for Mock Trial, designed and tested bike helmets, were accepted to the University of Utah, conducted autopsies on dill pickles, debated which greenhouse gas to tackle first and helped 7th graders at SLCSE-Bryant dissect earthworms.

It is encouraging to see everyone continue to wear masks, thank you for your part in helping us maintain a safe working and learning environment for all.

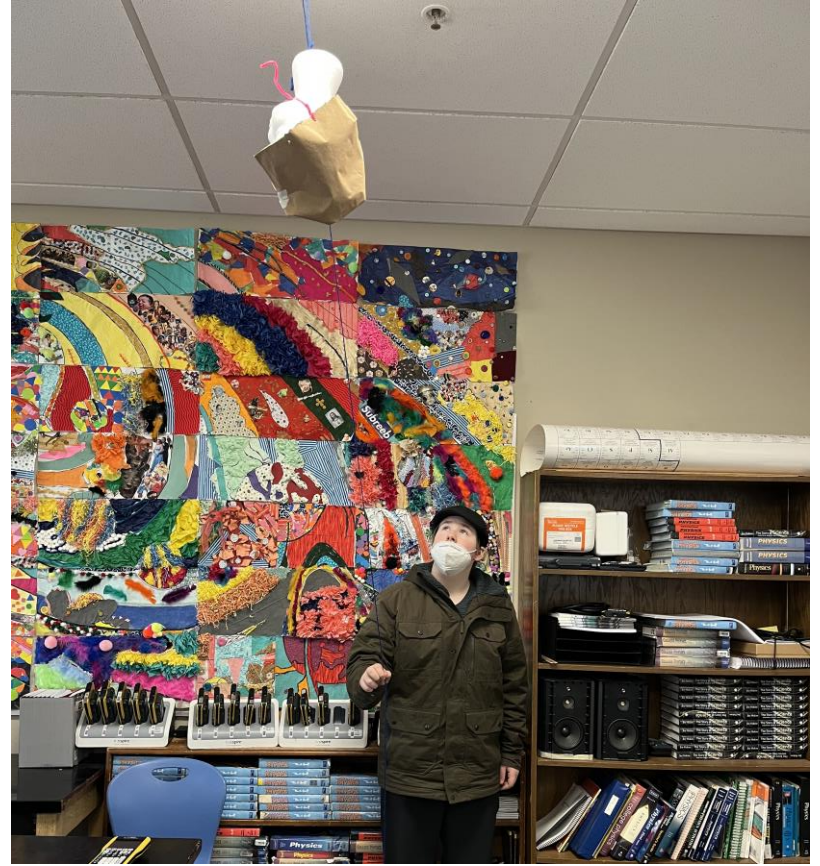

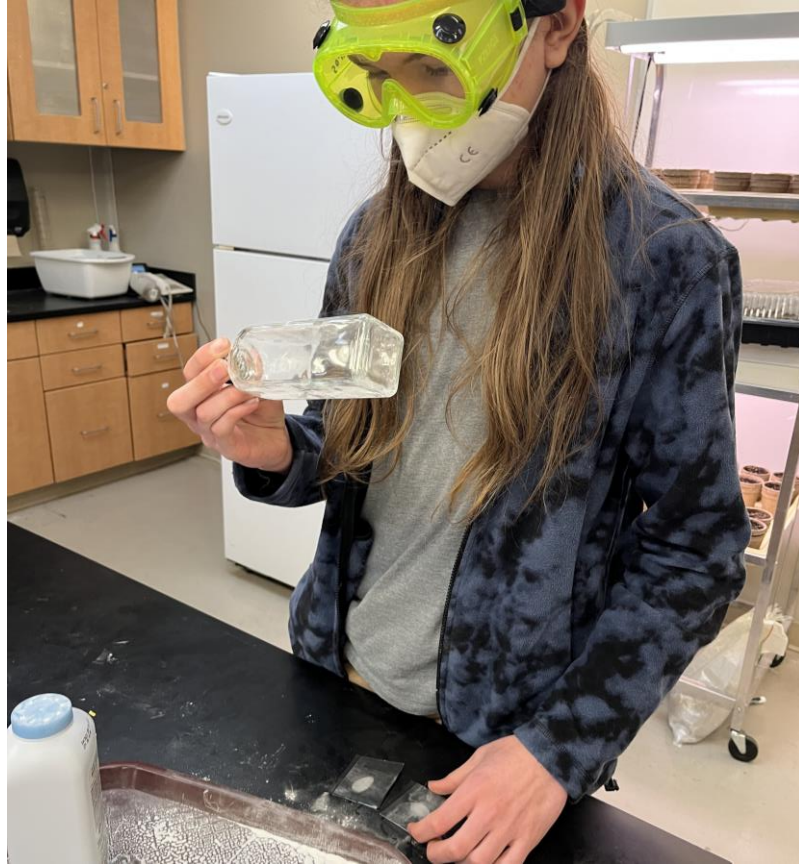

Britnie Powell, Principal

# Welcome to the SLCSE Family

Recently, Christine accepted a position at the District Office. Welcome to our new administrative assistant, Sharlon Harding who moved from Bennion Elementary School to join us. Additionally, we would like to welcome Liliana Juarez Torres who assumes a new position at SLCSE, Family School Collaboration Specialist.

## Support the SLCSE MTB Team - Bid on 4 JetBlue Travel Vouchers

- These vouchers can be used for 2 people to fly round trip on JetBlue airlines. You must travel by May 31, 2022.

See <https://jackalopetruth.org/jetblue/> for how to place your bid, terms and conditions, blackout dates, and other important information.

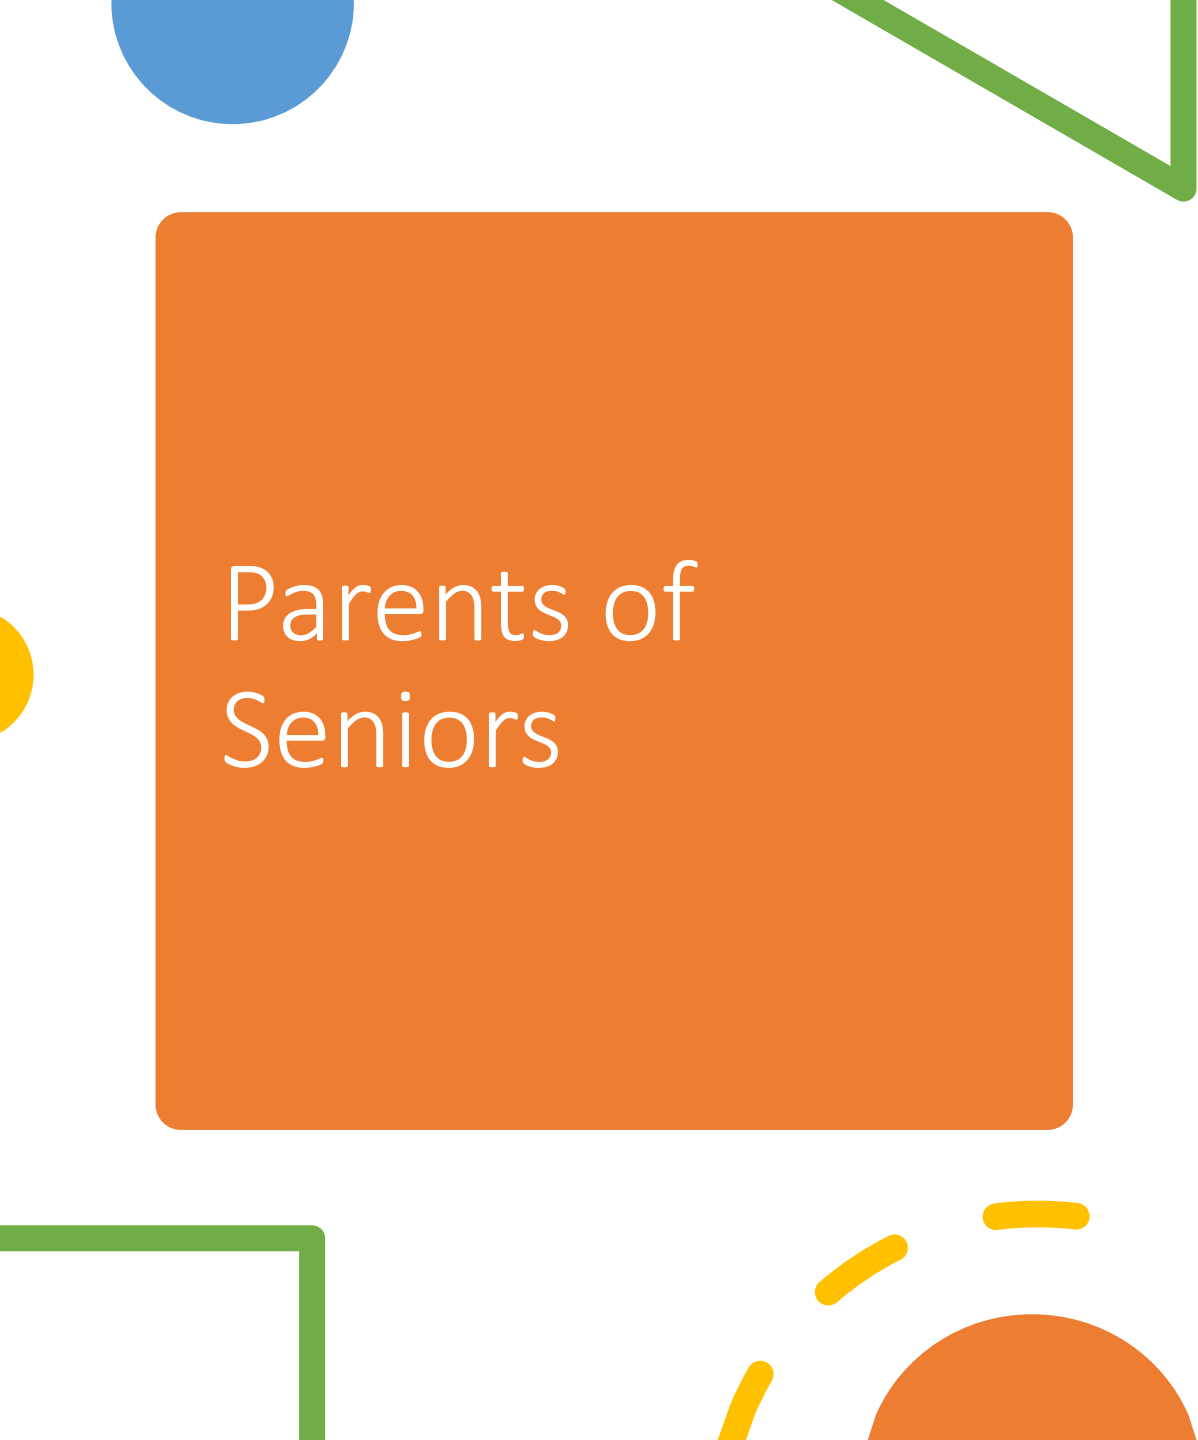

## Fundraiser for Washington D.C.

- Every year we take 11th grade students to Washington DC. Students are responsible for collectively fundraising for part of the cost of the trip. The trip operates on a tight budget, the amount they raise through this fundraiser determines which activities they can participate in and where they can eat. Please consider donating!

## Parents of Seniors

- Graduation is on June 3 at 5pm at Northwest Middle School
- It is not too late to complete the FAFSA if you did not apply in the Fall
- Scholarship opportunities are posted on the Senior Seminar Canvas page
- College and scholarship offers can be rescinded if a student is not in good academic standing during their Senior year.
- Research has shown that choosing to slack off second semester can impact learning and make it more difficult to make the transition from high school to college. We are doing everything we can to keep students motivated and engaged!

# Poetry Out Loud

Poetry Out Loud is a poetry recitation competition for high school students across the country. This year all 9th grade students participated in classroom competitions, along with students from other grades

The following winners will be competing at the school level on February 18.
