Practice-A-Thon 2022

Instruction Form

Between May 1st and 15th 2022, The Conservatory of Music will hold its first annual Practice-A-Thon fundraiser. Students will collect pledges based on number of consecutive days practiced or total minutes practiced. All proceeds will be donated to “Fund to Aid Ukraine” a local charity based In Parma Ohio that has provided direct support for the Ukrainian people for over thirty years.

1. Students and families decide how they want to record their practice: total minutes, or consecutive days. It is up to the student and family. Remember, consistency brings the best results.
2. Students approach potential donors and invite them to show their support by pledging whatever amount with which they are comfortable according to the student's personal practice plan of consecutive days or total minutes of practice. For example, a donor may want to give a certain amount per day or per minute of practice.
3. Use printable forms to keep track and record donations. Links will be sent via email and will be available on our website, <https://www.hudsonmontessori.org/beyond-the-classroom/conservatory-of-music-at-hms>. An online donation link will also be available on the website.
4. Please turn in the completed form and collected money to your teacher or Mr. Rhodes in an envelope marked “Practice-A-Thon Pledges” by May 20. Please make checks payable to “Hudson Montessori School.” If donations were made online, please indicate on the form by writing "online" next to "Total Due".
