RENTON SCHOOL DISTRICT NO. 403
and the
RENTON PROFESSIONAL-TECHNICAL ASSOCIATION
September 1, 2021 through August 31, 2024

This Agreement, made and entered into effective the first day of September, 2019 by and between the Renton School District No. 403 (District), and the Renton Professional-Technical Association/Washington Education Association/National Education Association (Association), for the purpose of governing their labor relations by establishing the following conditions of employment, schedule of hours, and scales of wages and benefits.

ARTICLE I
RECOGNITION AND AGREEMENTS

1.1 Sole Bargaining Agent

The District recognizes the Association as sole bargaining agent for all regularly employed professional-technical employees, including, but not necessarily limited to, employees holding the positions listed in Appendix E of this Agreement, excluding certificated employees, office- clerical employees, paraeducators, grounds and maintenance employees, bus drivers, custodians, food service employees, supervisors, and confidential employees. The District agrees to work collaboratively with the representatives of the Association with respect to wages, benefits, hours and working conditions, and adjustment of grievances arising under this Agreement.

1.2 Committees

Employees who are called to meetings by the District shall be released from District duties, and shall suffer no loss in pay, when such meetings are held during work hours.

1.3 Maintenance of Present Wage and Working Conditions

1.3.1 Nothing in this Agreement shall lower the present working conditions or wage standard of any individual employee so long as he/she remains within the job title in which he/she is now employed, but this provision shall apply only to the individual employee and not to the job title.

1.3.2 This provision does not supersede the District's right to discharge, discipline or suspend an employee for just cause.

1.4 Position Descriptions

1.4.1 There will be a current position description on file in the Human Resources Office for each position covered by this Agreement. Any significant modification to the duties associated with the position shall cause the writing of a new position description, with a copy to be given to the employee, the employee's supervisor and the Association.

1.4.2 Each position will have an established salary classification. Significant modification to the duties reflected in the position description will cause a review and possible modification of the salary classification as necessary, utilizing the District's point factor system.

1.4.3 Job descriptions for all positions subject to this agreement shall be provided to individual employees and/or the Association President upon request. Subsequent changes of such descriptions shall be forwarded to the Association and the individual employee.

1.5 New Positions

1.5.1 The Association President will be notified prior to the posting of any new position that would come under this Agreement, as indicated in Section 1.1, and will be provided with the posting and the job description for the new position.

1.5.2 The proposed salary as recommended by the District will be forwarded to the Association for comparative analysis with any similar positions already established in the unit prior to the position being filled.

1.5.3 The salary range of a new position shall be subject to collective bargaining at the request of either party.

1.6 Distribution of Contract

The District agrees to print and distribute this agreement, free of cost to the Association and its members. Distribution will be within thirty (30) calendar days of the ratification of this Agreement. A copy of the contract will be given to newly hired employees at the time of hire. Five (5) copies of the contract will be sent to the Association President within ten (10) days after its printing.

1.7 Definitions

An "Employee" or "Regular Employee" shall mean all bargaining unit members as described in Section 1.1.

A "Supervisor" shall refer to the appropriate District administrator.

"Days" shall mean work days unless specifically defined in this contract.

A "Classification" refers to the vertical arrangement of employee categories (Classes) based on the duties, responsibilities, skills and proficiencies for each position on the salary schedule. The classifications include Program Support Staff, etc.

A “Parent” is defined as the biological parent of an employee or an individual who stood in loco parentis (in the place of a parent) to an employee when the employee was a son or daughter.

A “Child” is defined as a biological, adopted, or foster child, a step-child, a legal ward, or a child of a person standing in loco parentis (in the place of a parent) who is under 18 years of age, or 18 years of age or older and incapable of self-care because of a mental or physical disability.

A “Spouse” is defined as a husband, wife or domestic partner. FMLA does not apply to domestic partnerships.

A “Serious health condition” is defined as an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility, or continuing treatment by a health care provider.

A “Health care provider” is defined as a doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the state in which the doctor practices, or any other person determined by the Secretary of Labor to be capable of providing health care services.

A “Reduced leave schedule” is defined as a leave schedule that reduces the usual number of hours per workweek or hours per work day, of an employee.

Words denoting gender include both masculine and feminine, and words denoting number shall include both singular and plural.

1.8 Status of Agreement

Where there is a conflict between the collective bargaining agreement and any resolution, rule, policy, or regulation of this District, the terms of the collective bargaining agreement shall prevail.

ARTICLE II
CONDITIONS OF EMPLOYMENT

2.1 Work Day and Work Week

2.1.1 The work week for annual employees shall consist of forty (40) hours per week, Monday through Friday, excluding lunch period. See Article XVI for Safety/Security personnel.

2.1.2 All employees shall be allowed a rest period of not less than fifteen (15) minutes on the employer's time for each four (4) hours of work time, scheduled as near as possible to the midpoint of the work period. No employee shall be required to work more than three (3) hours without a rest period.

2.1.3 All employees entitled to a lunch period in accordance with applicable law will be provided a minimum duty-free lunch period of thirty (30) minutes when the employee is free to leave the worksite. Except as provided in Article XVI, all employees required to work through their regular lunch periods will be given time to eat at a time agreed upon by the employee and supervisor. In the event the District requires an employee to perform substantial duties during a lunch period, the employee shall be compensated for the time worked or may request, and may be granted, an altered work schedule. If an employee is required to remain at the worksite in the interests of the employer, the employee shall be paid at his/her regular rate of pay for the meal period.

2.1.4 Remote Access to Work

2.1.4.1 This section shall apply only to the work day/work week as described in Section 2.1.

2.1.4.2 An employee or a supervisor can suggest remote access to work as a possible work arrangement.

2.1.4.3 The District will establish clear guidelines in collaboration with the Association which may include, but not be limited to the implications of securing sensitive information, the use of hardware, short-term remote access, long-term/ongoing remote access, etc. While any District remote work procedure is in place, the parties will regularly discuss in labor-management meetings the implementation of that procedure.

2.1.5 **Work Year Calendar:** The District will not adopt a planning calendar without first providing an opportunity for Association input. The Association will receive copies of any initial proposed calendars.

2.2 Emergency Closure/Inclement Weather

If conditions make it necessary for the District to declare schools closed for on(1) day or more days due to an emergency, all buildings will be presumed to be open to employees unless notification is provided that employees should not report to work. Emergency is defined as a situation which has been suddenly precipitated or is unplanned or where pre-planning could not relieve the necessity for the employee's absence during the workday. The District will provide alternative work location, if possible.

Employees are expected to report for work when it is safe to do so. Employees unable to report to work safely by their judgement at their scheduled start time will make every reasonable attempt to arrive as close to their scheduled start time as possible. If it is unsafe to travel to their worksite, the employee may communicate with their supervisor regarding remote access to work as described in 2.1.4.

Absences due to emergency closure will be considered excused absences. Employees who do not report to work (excluding remote access to work options) or report to work late, shall charge the time missed to appropriate leave or leave without pay. Appropriate leaves include, vacation, earned compensatory time, personal leave, and emergency hardship leave. In an effort to minimize any loss of pay the supervisor may work with the employee to identify options for making up any time lost as a result of an emergency closure/inclement weather. Should the District make the decision to close school, employees will be notified of the days when the lost instructional time will be made up.

If conditions make it necessary for the District to delay the opening of school or close school before the end of the student day, employees may, upon mutual agreement with their supervisor, work the regularly scheduled shift, use accumulated emergency or personal leave, or make up the time at a later date.

The District shall identify and notify personnel considered to be essential personnel for purposes of responding to emergency closure(s) of buildings/program(s)/District. Such notification shall be made by November 1 of each year. The District will let the RPTA President know of those members who are identified as Essential Personnel. Essential personnel reporting to their building during an emergency, as defined above, will be paid at one and one-half times their regular rate for all hours worked, to the extent that the requirement for reporting to their building is exclusively to provide an immediate response that is directly related to the declared emergency.

2.3 Work Assignment Forms

Each employee shall receive a Work Assignment Form which shall include salary schedule placement, hourly rate of pay, anticipated number of hours per day, and anticipated number of days per year. Where appropriate, the Work Assignment Form shall also include salary and benefit FTE, as well as seniority, vacation, and holiday information.

2.4 Overtime and Compensatory Time

2.4.1 "Approved" work is defined as work authorized by immediate supervisor or

administrator.

- 2.4.2 The District retains the sole discretion to approve or not approve a request for an altered work schedule.
- 2.4.3 Any approved work in excess of eight (8) hours per day, or forty (40) hours per week, will be considered overtime and paid at one and half times the employee's regular rate.
- 2.4.4 If agreed upon by employee and manager, the District may approve an altered work schedule consisting of four (4) ten (10) hour work days. In such a case, any approved work in excess of ten (10) hours per day, or forty (40) hours per week, will be considered overtime and paid at one and one-half times the regular rate.
- 2.4.5 Approved work performed in excess of forty-eight (48) hours per week will be paid at the rate of two (2) times the employee's regular rate.
- 2.4.6 Approved work performed on a holiday will be paid at the rate of two (2) times the regular rate, in addition to the base regular rate. If agreed upon by the employee and supervisor, the employee may work a scheduled holiday at regular pay and elect instead to take the holiday within one (1) month of the scheduled holiday.
- 2.4.7 Emergency call-back to work time for employees will be paid for a minimum of two (2) hours at the regular rate of pay or at the overtime rate, whichever is applicable.

Employees contacted and performing approved work by telephone or electronically during non-work hours shall be paid a minimum of one (1) hour at the applicable rate.
- 2.4.8 Any personnel who are required by the District to remain on standby shall be prorated at the employee's regular hourly rate and shall be paid at one sixth (1/6th) of an hour for each hour on standby. Any employee required to remain on standby shall be paid a minimum of one (1) hour at his/her regular rate of pay.
- 2.4.9 At the option of the employee, if agreed to by the supervisor, and if arranged prior to the assignment except in an emergency, compensatory time may be taken in lieu of authorized overtime payment, in accordance with the provisions of applicable state and federal law and in accordance with established District procedures.
- 2.4.10 The District will give an employee at least ten (10) work days' notice before changing the employee's schedule, except in cases involving unexpected changes in circumstances that make it unworkable to give such notice, such as weather, illness, leaves, tardiness, discharge, resignation, special use of

facilities, emergencies, etc.

2.5 Discipline and Discharge

2.5.1 The District shall follow due process and progressive discipline in its discipline of employees. Although each personal situation merits individual investigation of the facts and circumstances, the District will make every effort to maintain consistency and uniformity in discipline of employees. In administering progressive discipline, the following steps will normally apply:

2.5.1.2 Letters of Direction are not disciplinary and will be placed in the employee's worksite file.

2.5.1.3 Written Warning(s) or Letter(s) of Direction (the warning or letter shall indicate whether it is a disciplinary or non-disciplinary action)

2.5.1.4 Letter(s) of Reprimand

2.5.1.5 Suspension(s)

2.5.1.6 Dismissal

2.5.2 An employee shall be entitled to have present a representative of the Association during any meeting which might reasonably be expected to lead to disciplinary action, and/or at any meeting in which discipline is imposed. When a request for such representation is made, no meeting shall continue nor shall any action be taken with respect to the employee until such representative of the Association has reasonable opportunity to be present. Any complaint not called to the attention of the employee may not be used as the basis for any disciplinary action against the employee.

2.5.3 An employee may be discharged immediately for any one of the following reasons: theft, intoxication or under the influence of illegal drugs on the job, reckless or unauthorized use of vehicles or equipment, and illegal activity. In addition, there may be circumstances where the situation is of an extreme nature demanding immediate action; therefore, progressive discipline or action is not indicated and/or within the District's legal options.

2.5.4 The District may discharge, suspend, or otherwise discipline any employee for just cause, but no employee shall be discharged or suspended unless a written warning notice shall previously have been given to such employee of a complaint against him/her concerning his/her conduct within ten (10) work days of the date of knowledge of such violation, the warning notice shall be null and void.

2.5.5 Warning notices will be considered collectively, not individually. Any employee receiving three (3) written warning notices within a twelve (12) month period shall be subject to disciplinary action up to and including termination. Upon written request by the employee, warning notices shall be removed from Human

Resources files twelve (12) months from the date of notice if there have been no further notices for a six (6) month period.

2.5.6 Prior to terminating an employee for performance deficiencies, the District will give the employee a Plan of Improvement with a specific timeframe sufficient to allow the employee to address the deficiencies and support to be provided by the District. This provision does not apply to employees in their probationary period (see 2.11).

2.5.7 An employee shall be provided with a written statement of the reasons for disciplinary action, including suspension or discharge.

2.5.8 Discipline records kept in the worksite file will be shredded at the end of the year the employee leaves the building except when the employee is the subject of an ongoing investigation.

2.6 Layoff and Recall

2.6.1 Layoff

2.6.1.3 In the event it becomes necessary to layoff employees in a given classification due to insufficient funding, reorganization, or curtailment of work, the number and type of positions to be eliminated shall be determined by the District. Written notice will be given to the Association before implementing the layoff process. This information will be provided to the Association and to the affected employees following the procedure in 2.5.1.3 below, as soon as possible after the District's determination of positions to be eliminated or reduced.

2.6.1.4 Following District determination of positions to be reduced and or eliminated, the following process will be implemented. In job titles with two (2) or more incumbents, the least senior employee(s) will be selected for layoff and/or reduction in hours. The least senior employee will be selected for the greatest impact of position elimination and/or hours of reduction. In the event of two (2) or more employees having the same seniority rating, lots will be drawn to determine position on the seniority list in the presence of the affected employees and/or an Association representative.

2.6.1.5 An employee subject to layoff may displace a less senior employee in a different job title, provided the employee subject to layoff has previously held such title in the bargaining unit within the past five(5) work years, is able to perform the current duties of the position and holds any necessary license.

2.6.2 Recall

2.6.2.1 Employees who have been laid off or whose hours have been

reduced shall be placed into a re-employment pool for two (2) years from the date of layoff.

2.6.2.2 Reassignment from the re-employment pool to existing vacancies shall be in the reverse order of layoff/reduction in hours.

2.6.2.3 Employees may turn down two (2) position offerings for which they qualify before being removed from the re-employment pool, provided that such employee is offered a position equal in pay and benefits to that held prior to the layoff/reduction in hours.

2.6.2.4 The District shall give written notice of recall from layoff by sending a certified letter, return receipt requested, and email or electronic communication to said employee at his/her last known address. The employee's address as it appears on the District's records shall be conclusive.

2.6.2.5 Any employee re-employed into a different position will have the first opportunity to transfer back to the position from which he/she was laid off, if it becomes available.

2.6.3 Benefit Retention and Salary Placement

All benefits to which an employee was entitled at the time of his/her layoff, including unused sick leave, will be restored to the employee upon return to active employment from layoff. The employee will be placed on the appropriate range of the salary schedule on the step that is closest to, but not less than, the hourly rate of pay at the time of the layoff; provided that no employee shall be placed above the top step of the appropriate range. In addition, an employee rehired after September 1 shall be granted one (1) increment if the employee would have been eligible for incremental movement on the September 1 immediately following the layoff.

2.6.4 Insurance

Benefit insurance program continuation for employees on layoff status will be subject to SEBB rules and regulations. For insurance programs not offered through SEBB, if acceptable to the insurance carriers, the District shall allow employees on layoff status to continue any or all portions of their benefit insurance programs via direct monthly payments to the District. Any employee who fails to make timely payment will be discontinued from participation. Employees on such leave must make written arrangements with the Payroll Office.

2.7 Notice of Termination/Resignation of Employment

2.7.1 The District shall give employees as much notice of termination as possible, but in no event shall an employee receive less than two (2) weeks' notice of termination.

2.7.2 If an employee resigns, the employee shall give the District as much notice as possible, but in no event less than two (2) weeks before the effective date of the resignation.

2.8 Selection for New and Open Positions

2.8.1 The District shall publish online, for a minimum of ten (10) work days, the availability of new and open positions covered by this bargaining unit.

2.8.2 The District will fill job openings covered by this Agreement by selecting the best-qualified applicant.

2.8.3 The District will give preferential consideration by seniority to employees in this unit for any job openings covered by the Agreement when qualifications and ability are substantially equal to those of other candidates.

2.8.4 In the event the person with the most seniority is not chosen, the Office of the Superintendent will give an explanation in writing, upon request, to such senior employee and the Association, stating the reason for the non-selection. Nothing contained in this section is intended to preclude the District from hiring outside applicants.

2.9 Affirmative Action

2.9.1 The Association and the District recognize the requirements of the Civil Rights Act of 1964 and mutually agree to support the provisions of the District's Affirmative Action Plan. The parties further agree that the purpose of the plan is for achieving equality in employment practices wherever it may be lacking in compliance with the letter and spirit of the law. The Affirmative Action Plan will be applied in modifying the composition of the future work forces in the District.

2.9.2 Present employees will not be discharged or laid off to achieve employment goals. Hiring policies will be adapted to ensure equal employee opportunities. Only qualified personnel will be considered for any position.

2.10 Involuntary Transfer

If an employee is involuntarily transferred to a lower classification, he/she shall be placed on the step closest to but not less than the rate of pay the employee was receiving at the time of transfer. If the employee's salary exceeds the salary of the new classification, he/she will be grandfathered at his/her current salary. Any employee involuntarily transferred shall have priority placement in the return to the previously held position should it be restored within two (2) years of the effective date of the involuntary transfer.

2.11 Seniority

2.11.1 The seniority of an employee within the bargaining unit shall be established as of the date on which the employee began employment in a bargaining unit position

or in a position subsequently included in this bargaining unit (hereinafter "hire date") unless such seniority shall be lost as hereinafter provided. However, employees who were bargaining unit members on November 10, 1993 shall be allowed to retain seniority credit for service in a non-RPTA Association bargaining unit position.

2.11.2 All seniority rights will be lost and an employee's relationship with the District deemed severed under the following circumstances:

If the employee:

2.11.2.1 resigns;

2.11.2.2 is discharged for just cause;

2.11.2.3 does not return to work as required when recalled after layoff.

2.11.3 Seniority rights shall not be lost, but shall not accrue, for authorized unpaid leaves of absence and layoff.

2.11.4 Employees returning from authorized leave or from a layoff may recover their previous seniority.

2.11.5 Seniority rights shall continue to accrue during absence due to industrial injury (up to one (1) year), and while the employee is in District pay status.

2.12 Probation

The probationary period for all new employees and employees in new positions as the result of a transfer or promotion of ninety (90) calendar days will be required. If an employee's conduct, proficiency and fitness are judged to be satisfactory by the evaluating supervisor during the probationary period, the employee will be given regular status. The probationer may be discharged during the probationary period in the event of his/her demonstrated inability to cope with or perform the assigned duties as identified in his/her job description, or for being unproductive, or for misconduct.

Upon completion of the probationary period, the employee will be subject to all rights and duties contained in this Agreement, with seniority retroactive to the hire date. All applicable rights and benefits as described elsewhere in this Agreement shall apply to probationary employees.

**ARTICLE III
IN-SERVICE, VOCATIONAL TRAINING
AND PROFESSIONAL ORGANIZATIONS**

3.1 Professional Development Funds

The District will provide \$6,500 each year of this Agreement that employees may use for reimbursement of memberships in professional organizations, professional licensure, and training that is not required for their position and paid for by the district.

The parties agree that the Professional Development funds should be used to enhance the employee's skills and knowledge.

The District and Association will agree on how to expend any unused funds based on the reimbursement requests submitted by members by June 30 each year.

3.2 Training Hour Compensation

The training hour program compensates employees for training that is relevant to their current job responsibilities or is aligned with a desired career path within the District.

Compensation will be paid at the hourly rate of RPTA Level 2, Step 1 for each training hour earned for approved training activities to a maximum of \$1500 per year.

Employees must submit verification of training hours by the first business day of October, January, April, and July for payment on the last business day of said months.

Training hours for the previous school year may not be submitted after the first business day of July.

Upon separation from employment, employees have ten (10) business days to submit training hours for final payout.

The parties shall review the expenditures at the next scheduled Labor/ Management meeting following each payout.

Employees are responsible for obtaining and retaining documentation and submitting such documentation to the Human Resources Department with each submission of hours.

Coursework in a degree program must be specifically job-related or aligned with a desired career path within the District in order to qualified for reimbursement.

3.3 Subjects and Guidelines for Required District In-service Training

In-service activities may be established for individuals, specific groups of individuals or

for all employees covered by this Agreement. When such activities are required by the district, all fees or registration costs will be paid by the District. Any hours of training required outside of the employee's regular work hours will be paid at the employee's regular rate or at the employee's overtime rate if appropriate. Types of activities may include attending recognized vocational courses, establishing appropriate courses within the District, purchasing recognized vocational courses or other activities which would be of mutual benefit to the employee(s) and the District. Professional training material purchased with departmental funds remain the property of the District.

3.4 Training Hour Stipend

3.4.1 Employees may earn and submit verification for approved training hours which will be paid under procedures noted herein. Such payment will be made twice each year to current employees. Training hour stipends are separate from extra hours and regular pay.

3.4.2 A stipend at the hourly rate of RPTA Level 2, Step 1 shall be paid for each training hour earned in an approved training program with confirmed attendance as set forth in Sections 3.4.3 and 3.4.5 of the contract.

Employees must submit verification of training hours by the first business day of the month for payment on the last business day of said months. Training hours for the previous school year may not be submitted after the first business day of July. Upon separation from employment, employees have ten (10) business days to submit training hours for final payout.

The parties shall review the expenditures at the next scheduled Labor/Management meeting following each payout.

3.4.3 Employees are individually responsible for obtaining and keeping course or training documentation and submitting such documentation to the Human Resources Department when such hours have been completed. Notification and application must be timely as noted herein, in order to receive timely payment. $$(2) \text{FTE} \times \text{Annual salary on schedule} = \text{Employee's prorated annual salary}$$

9.4 Salary Provisions

9.4.1 Base salary, and legacied educational stipends earned before 2001, shall be paid in twelve (12) equal monthly installments. For less-than-annual employees, vacation pay and holiday pay shall also be paid in twelve (12) equal monthly installments.

9.4.2 Salaries contained in Appendix A for non-technology and Appendix B for technology employees shall be for the entire term of this Agreement, subject to the terms and conditions of Article XV. Should the date of execution of this Agreement be subsequent to the effective date, salaries, including overtime and standby pay, shall be retroactive to the effective date, unless the parties have specifically agreed otherwise.

9.4.3 Retroactive pay, where applicable, shall be paid on the first regular pay day following mutual ratification of this Agreement, if possible, and in any case not later than the second regular pay day. In the case of retroactive pay resulting from negotiations pursuant to Article XV, such retroactive pay shall be paid on the first regular pay day following mutual ratification of such schedule, if possible, and in any case not later than the second regular payday.

9.4.4 An employee whose position is reclassified to a higher classification or an employee who moves to a higher classification shall be placed on the appropriate step which will result in a salary equal to or greater than the salary that would have been paid on the previous classification, plus one step.

9.4.5 An employee whose position is involuntarily reclassified to a lower classification and whose salary exceeds the salary of the new classification shall be held harmless at their current salary. An employee who voluntarily moves to a lower pay classification shall be placed on the step closest to but not less than the rate of pay the employee was receiving in their former position except that the employee shall not receive an amount greater than the highest salary within the classification.

9.4.6 Any employee required to return to work on callback or required to travel from

one site to another in a private vehicle during work hours shall be reimbursed for such travel on a per-mile basis at the IRS rate.

- 9.4.7 Employees who travel outside the District on District business must complete an "Employee Travel Request" form and shall be reimbursed for expenditures in accordance with District policy.
- 9.4.8 Employees may choose to participate in the District's electronic program, pursuant to Payroll office procedures. Check stubs are available electronically.
- 9.4.9 Payroll deductions such as union dues, United Way contributions, flexible benefit plan participation, and annuity contributions are made by the Payroll Office as authorized by the employee.

Payroll deductions for savings plans or loan payments held by the District's authorized credit union are processed, as authorized, for employees who are members of the authorized credit union.

9.5 Longevity

Longevity is defined as years of service in a regular position in the District. Longevity stipends will be included in cash-out calculations. Breaks in service are defined as time an employee is not in a regular position with the District.

- It is the intent of the parties to recognize the longevity of employees working in regular positions during the 18-19 school year. Employees who qualify for longevity shall be permitted to maintain their longevity eligibility, including up to a five-year break in service, for the remainder of their employment in a regular position within the unit.
- Any bargaining unit member employed by the District in a regular position during the 2018-19 school year and still employed at the time the CBA is ratified, will earn longevity based on total accumulated service in the District in a regular position, including up to a maximum of five (5) years total break in service. The parties will mutually develop a process to identify employees impacted by this section.
- For employees hired or returning to the unit beginning September 1, 2019, longevity will be accrued by counting all years of service in a regular position in the District.
- Total years of service will only include time in regular positions with a break in service no more than 24 months prior to the return to service.
- If a unit member returns to the District in a regular position more than 24 months after leaving the District, their prior service in a regular position

will not be included in their longevity calculation.

9.6 Bilingual Stipend

Bilingual Stipend: A five percent (5%) bilingual stipend is awarded to an employee whose current classification does not require the use of a second language, but the employee uses a second language on the job when the District determines that the language usage is sufficient to qualify for a stipend. Such determination will be based upon the following conditions: 1. The position requires that the employee use bilingual skills regularly to perform their work; and 2. The classification specification for the employee's classification does not require bilingual skills for all incumbents of that classification; and 3. The employee demonstrates a proficiency in the second language, according to procedures established by the District.

ARTICLE X GRIEVANCES

10.1 Purpose

The purpose of this Article is to provide for a mutually acceptable method of prompt and equitable settlement of grievances or complaints arising between the District and its employees within the Association with respect to matters dealing with the interpretation or application of the Terms and Conditions of this Agreement or the interpretation or application of specific written District Policy or Rules.

Grievances shall be processed as rapidly as possible; the number of days indicated at each step shall be considered maximum and every effort shall be made to expedite the process. Under unusual circumstances, time limits may be extended by mutual agreement. Failure of the District or the grievant to comply with the stipulated number of days will result in the grievance proceeding to the next step, provided the grievance was submitted in a timely manner.

10.2 Definitions:

Grievance: an alleged violation or misapplication of a specific article(s) of this Agreement or an alleged violation or misapplication of a specific District Policy or Rule.

Grievant: an employee or the Association. When appropriate, the District and the Association may agree to consolidate the grievances of two or more grievants and process them as one grievance.

10.3 Procedure

Informal Discussion(s):

Whenever possible, an affected employee and/or the Association and the administrator whose actions prompted the perceived contract violation, shall meet to resolve problems through free and informal communication. A grievant shall first take up a complaint or problem with the grievant's immediate supervisor, department head, or, with the human resources administrator in informal discussion(s). The grievant must attempt to schedule the first informal discussion within twenty (20) work days of becoming aware of the alleged violation. Every effort shall be made to resolve the complaint or problem at this level.

If the employee is not satisfied with the informal discussion(s) relative to the matter in question, he/she may proceed to the formal grievance procedure Step 1.

An employee may institute a grievance on their own recognizance or may request the assistance of the Association. Should the employee choose to file a grievance without the intervention of the Association, the Association shall be afforded the opportunity to be part of the meeting(s) in which the adjustment is made. The adjustment shall not be in conflict with this Agreement. The proper procedure for pursuing adjudication of alleged

grievance is as follows:

1. Within twenty (20) work days of the time the employee demonstrably knew or should have known of the alleged violation, the aggrieved will notify the appropriate supervisor of a desire to discuss a grievance and also state the fact that this action possibly constitutes a grievance. If there is a question as to the appropriate supervisor, Human Resources will make a determination.
2. Within ten (10) work days of notification of the alleged grievance, the appropriate supervisor will meet with the employee, either directly or accompanied by another person designated by the employee and discuss the grievance. Within fifteen (15) work days after the discussion of the grievance, the supervisor shall give their response to the aggrieved.

10.3.1 Step 1:

1. If the grievant is not satisfied with the resolution, the grievant may, within ten (10) work days of receipt of the response, submit District's "Classified Grievance Claim" form containing (1) the facts on which the grievance is based; (2) a reference to provisions of this Agreement or District Policy or Rule allegedly violated; (3) the remedy sought.
2. Within ten (10) work days of receipt of the form, the appropriate supervisor shall submit a written response to the aggrieved.

10.3.2 Step 2:

1. If the grievant is not satisfied with the resolution at Step 1, the grievant may, within ten (10) work days of receipt of the written response in Step 1, submit the grievance to the Office of the Superintendent.
2. Within ten (10) work days of receipt of the grievance, the Office of the Superintendent or designee shall conduct a hearing to investigate and review the grievance. Both the grievant and the Association shall be notified of the date, time, and place of the hearing. The employee shall be entitled to Association representation at the hearing. Within ten (10) work days after the hearing, the Superintendent or designee shall provide the grievant with a written answer and explanation thereof, based on the data gathered at that hearing.

10.3.3 Step 3A:

If the grievant is not satisfied with the resolution at Step 2 and provided that the grievance has to do with an alleged violation or alleged misapplication of a specific article or section of this Agreement, the Association may, within fifteen (15) work days of receipt of written response to Step 2, submit the grievance to the American Arbitration Association for arbitration under their rules and within the

following guidelines:

1. The Arbitrator shall, if convenient, hold a hearing within twenty (20) work days of their appointment. A notice of five (5) work days will be given to all parties of the time and place of the hearing. The Arbitrator shall limit their decision strictly to disputes involving the application, interpretation, or alleged violation of specific articles and/or sections of this Agreement; and he/she shall be without power or authority to establish salary schedules.
2. The Arbitrator shall issue their written opinion within twenty (20) work days, if possible, from the date of the hearing. The opinion shall set forth the Arbitrator's award, opinions, and conclusion on the issues submitted.
3. There shall be no appeal from the Arbitrator's decision if within the scope of their authority. It shall be final and binding on the Association, the employee(s) involved, and the District.
4. The fees and expenses of the Arbitrator shall be shared equally by the District and the Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other.
5. The fact that the grievance has been considered by the parties in the preceding steps of the grievance shall not constitute a waiver of jurisdictional limitations upon the Arbitrator as delineated in Step 3A, 1. As above.

10.3.4 Step 3B:

If the grievant is not satisfied with the resolution at Step 2, and the Association believes the grievance to be valid, and provided that the grievance has to do with an alleged violation or misapplication of a specific written District Policy or Rule, the grievant may, within fifteen (15) work days' receipt of the written response from Step 2, request a meeting with the Board for the purpose of resolving the grievance in accordance with the following:

1. The Board may employ a Hearing Officer to hear the case in its stead.
2. The Board may hear the case itself.
3. The Secretary of the Board shall schedule a hearing date to take place within fifteen- (15) work days' receipt of the request.
4. The grievant shall be notified of said hearing at least five (5) work days prior to the set date.
5. The Secretary of the Board shall, within ten (10) work days after the conclusion of the hearing, submit the findings and recommendations in writing

to the grievant and the Association.

10.4 Additional Provisions

- 10.4.1 A grievant can be represented at all stages of the grievance procedure by themselves, or at their option, by an Association representative selected by the Association. If an aggrieved party is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure. No member may bring a grievance to arbitration without approval of the Association.
- 10.4.2 The District shall not discriminate against any individual employee or the Association for taking action under this Article.
- 10.4.3 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the Human Resources files of the participants.

ARTICLE XI
MANAGEMENT RIGHTS

11.1 Recognition

- 11.1.1 The Association recognizes the District's inherent and traditional right to manage their respective business, as has been their practice in the past.
- 11.1.2 The Association recognizes the right of the District to hire, suspend, transfer, promote, demote, or discipline its employees and to maintain the discipline and efficiency of its employees; the right (which shall be exercised as provided in the paragraph hereof relating to termination of employment) to layoff, terminate and otherwise relieve employees from duty because of lack of work for them to do, or for other reasons set forth in this Agreement; the right to establish and change or consolidate jobs; the right to direct the methods and processes of doing work, to introduce new, improved work methods or equipment, and to assign work to outside contractors; the right to determine the starting and quitting time and the number of hours to be worked; and the right to reasonably make and amend such rules and regulations as it may deem necessary for the conduct of its business, and to require their observance.
- 11.1.3 The exercise of the District's rights stated herein is an exclusive function of Management.
- 11.1.4 The exercise of the Management Rights herein does not modify the employee's or the Association's right to appeal through the grievance procedure as set forth in this Agreement when, in the opinion of the employee(s) or the Association, such exercise violates the letter and intent of the Agreement.

ARTICLE XII
EMPLOYEE RIGHTS AND RESPONSIBILITIES

12.1 Personnel Records

12.1.1 A master or official file shall be maintained for each employee of the District in the Human Resources Department or other officially designated place.

12.1.2 Work-site files, as required and when properly noted in the employee's master file, may be kept by the employee's immediate supervisor. These files are considered confidential and only open to the immediate supervisor and the employee. Such work-site files will be maintained according to the following guidelines:

12.1.2.1 Materials which might form the basis for disciplinary action, reprimand, warning or other adverse effect must be either discarded or placed in the personnel file within one (1) year of the date on which the incident occurred. The employee will be notified of any such materials which are placed in the official file. The employee may initial and date all documents added to their file.

12.1.2.2 If such material is not placed in the official file and retained beyond the one (1) year period in the working file, such materials shall at the employee's request be taken from the file and destroyed.

12.1.3 The employee's personnel file shall be open for inspection by that employee, accompanied by another person of the employee's own choosing, if desired, to allow the opportunity to review evaluations and other records regarding their employment with the District. The employee has the right to add information in explanation of materials in the file.

12.1.4 An employee who feels the confidentiality of information contained in his/her personnel file has been violated and is prepared to present evidence and/or testimony substantiating such an allegation, may seek redress through the Superintendent or may pursue the matter formally through the grievance procedure.

12.1.5 A separate file for processed grievances shall be kept apart from the employee's personnel file. No reports on grievances shall be added to the employee's personnel file.

12.1.6 Upon request, a copy of the individual documents contained in either the official and/or working Human Resources files shall be afforded the employee at the District's expense. Requests for multiple copies or requests for complete copies of the entire file shall be paid for by the employee.

12.1.7 In the case of an upcoming hearing or other formal action, the employee is entitled to review this file and, upon request, receive a signed inventory sheet of their official file.

12.1.8 An incident that may form the basis for any written reprimand, warning, disciplinary action, or adverse effects can be documented in the personnel file no later than thirty (30) work days after the results of the investigation are shared with the employee, except in cases of illegal action or employee fraud, which shall be documented within one (1) year from the date the District knew of its occurrence or demonstrably should have known. Any such material placed in the official file cannot be referred to in any subsequent disciplinary action occurring after three (3) years of the date this material is placed in the file. Such material shall, upon request, be withdrawn from their file after a three (3) year period, provided it is not part of a formalized continuing action.

12.2 Evaluations

12.2.1 Employees will be evaluated in writing annually prior to the end of the employee's work year. No employee shall be required to sign a blank or incomplete evaluation form. Any concern(s) regarding an employee's performance must have been discussed with the employee prior to inclusion in the year-end evaluation.

12.2.2 Employees will have the opportunity to write comments of their choosing regarding the evaluation. Such comments will be placed in the Personnel file.

12.2.3 The current evaluation document is included in this agreement in Appendix . If an employee's evaluation indicates two or more components are not "Not Meeting Expectations" the supervisor may initiate a Plan of Assistance. The Plan of Assistance will include specific areas of deficiency and the changes in practice that are necessary for the employee to meet the expectations of the position. The duration of the Plan of Assistance will be a minimum of six (6) weeks and may be extended at the supervisor's discretion. While the Plan of Assistance is in effect, the supervisor will schedule regular meetings to provide feedback and offer support and coaching. Requests from the employee for additional support will be given due consideration. The District will notify the Association prior to an employee being placed on a Plan of Assistance. A meeting with an HR administrator, supervisor, and Association representative will be scheduled for the purpose of initiating the Plan of Assistance. Meetings with an HR administrator, supervisor, and Association representative will be scheduled approximately midway through the Plan of Assistance to review the employee's progress, and at the end of the six (6) week Plan of Assistance.

At the end of the Plan of Assistance, the supervisor will recommend to an HR administrator one of the following options:

- End the plan because performance in all areas of deficiency now consistently meet expectations
- Continue the Plan because sufficient progress has been made to support extending the Plan to allow for demonstration of consistent satisfactory job performance;
- Recommend termination of employment because improvement in the areas of deficiency is not sufficient.

12.3 Non-Discrimination

There will be no discrimination with respect to employment of any person because of such person's age (over 40), sex, race, creed, color, national origin, sexual orientation, including gender identity, marital status, domicile, honorably discharged veteran or military status, political activity (or lack thereof), or the presence of any sensory, mental or physical disability or the use of a trained dog guide or service animal by person with a disability, unless based upon a bona fide occupation qualification, provided that the prohibition against discrimination because of such disability will not apply if the particular disability prevents the performance of the particular worker involved. Should the state or federal government add categories, they will be considered part of this Non-Discrimination Clause.

12.4 Administering Medication

No employee will be requested or required to dispense or administer medication unless in accordance with state law and after having received instruction/training from the appropriate personnel. Training time will be paid at the employee's regular hourly rate of pay or at the overtime rate if applicable. Employees will not be requested or required to perform other specialized medical procedures without having received prior appropriate training or without having the necessary certification or license to perform the procedure. No employee hired prior to September 1, 1993 will be required to receive instruction/training in medically invasive procedures. Employees may be hired specifically to perform said medical procedures.

12.5 Student Support

The parties agree that it is important that unit members who provide direct support to students be provided/have access to critical information regarding the student. Such information may be provided by teachers/administrators/support personnel in the form of oral/written communication or access to particular student records. The parties also agree that the unit member receiving such information is responsible for complying with all laws, policies, rules and regulations governing the privacy of such information.

12.6 Employee Protection

The District shall provide, on a fully paid basis, liability insurance for each employee in case of a lawsuit arising from or in the performance of his/her duties. The District shall hold harmless and defend each employee who is employed by the District from claims for damages caused or alleged to have been caused in whole or in part by that employee while performing his/her duties as an employee in the District under the provisions of the District's liability policy, provided that the District shall not be obligated to assume any costs or judgments held against the employee when such damages are proved to be due to the employee's willful negligence, violation of law or criminal act as determined by a court of law.

12.7 The District or its insurer shall reimburse any employee for any certified loss of or damage to personal property necessarily used in the performance of job duties, subject to the following limitations:

12.7.1 The employee must file with the Business Office a notice of loss within ten (10) business days and a claim for reimbursement within thirty (30) business days after the loss or damage.

12.7.2 The employee must file a District security report and a report with the appropriate police department within three (3) business days following the incident.

12.7.3 The employee must exhaust his/her own insurance possibilities before being eligible for reimbursement under this section.

12.7.5 There shall be no reimbursement for loss of cash.

12.8 The District shall provide employees with insurance protection while engaged in the maintenance of order and discipline and the protection of school personnel and students and the property thereof. Such insurance protection must include liability insurance covering injury to persons and property, and insurance protecting those employees from loss or damage of their personal property incurred acting in their capacity as an employee of the District. The limit of liability provided under this policy for employees' personal property is \$500 per employee for each claim.

12.9 The District shall provide insurance coverage for any employee who discovers, in the course of their assignment, alleged child abuse. Reporting of such alleged abuse will follow established building/program procedures.

12.10 An employee may, using their best judgment, use such force as is necessary to protect themselves, another employee, or a student from attack, physical abuse or injury, provided that, the District's insurer and/or the District shall not be obligated to assume any costs or judgments held against the employee when such damages are proved to be due to the employee's willful negligence or criminal act as determined by a court of law.

12.11 Classification and Reclassification

The District and Association agree to have reclassification requests as a standing labor-management committee agenda item that supports a clear, transparent process for addressing reclassification requests. The purpose of the committee is to ensure that representatives of the District and the Association participate in the reclassification process and develop a shared understanding of the complexity of the process. When the District receives a reclassification request from an Association-represented employee, the District will inform the employee and the association that the request has been received no later than thirty (30) days after the District has received the request.

Currently the District uses the Kinney model to review classifications in RPTA. The parties agree to discuss any proposed changes to the model.

When an employee requests review of their position for potential reclassification, the Joint Classification Committee will schedule a meeting to review the request. Requests shall be made in writing using the documents provided by the committee.

12.11.1 For the purpose of this Contract, “Classification” refers to the vertical arrangement of employee categories (Classes) based on the duties, responsibilities, skills and proficiencies for each position.

12.11.2 The purpose of these “Classes” is to provide reasonable wage differentials between employee categories based on assigned duties, responsibilities, skills and proficiencies.

12.11.3 Employees may apply for reclassification once in each twelve (12) month period or more often if job responsibilities are substantially altered. Any employee, at his/her option, may have an Association representative present at a reclassification review.

12.11.4 At the request of the Association President, the District will provide annual in-service to employees regarding the classification system used by the District.

12.11.5 Classification and reclassification will be a regular topic at labor management meetings.

12.12 Harassment, Intimidation, and Bullying Prevention

The Association and the District will not tolerate harassment, intimidation, and bullying, and will take corrective action if such behavior occurs. Corrective action will include an informal and formal process, as outlined in the district policy. Should an employee feel that they are experiencing harassment, intimidation, and bullying and need assistance with which process to follow, they should contact the Executive Director of Human Resources or the Association President . The District will include anti-harassment training as part of each new employee’s orientation and will educate all staff members about

harassment, intimidation, and bullying at least once every three (3) years in accordance with state requirements.

16.1 Work Day and Work Week

Security personnel may be assigned to work eight (8) hours per day, inclusive of the lunch period, and shall be scheduled to work five (5) consecutive days per week. Security personnel hired prior to September 1, 1993 shall receive a shift differential of one dollar (\$1.00) per hour for work on Saturday or Sunday if the work week is changed to include Saturday or Sunday.

16.2 Standby or On-Call Status

Any Security personnel who are required by the District to remain on standby shall be prorated at the employee's regular hourly rate, and shall be paid at one sixth ($1/6^{\text{th}}$) of an hour for each hour on standby. Any employee required to remain on standby shall be paid a minimum of one (1) hour at their regular rate of pay.

Central security personnel who regularly take on-call shifts will receive a monthly stipend of ten percent (10%) of their total compensation.

Any central security personnel classified as Non-tech Level 4 will be held harmless at that salary level.

16.3 Outside Contractor Exception

The Association recognizes the right of the District to utilize outside contractors to perform security work during conditions requiring additional personnel such as widespread damage, public disorder, large demonstrations or gatherings, extended leave, or a sudden reduction in available security personnel. Such utilization of outside contractors shall be limited to three (3) months per incident. The Association will be notified within two (2) weeks when the District utilizes outside contractors.

16.4 Building Safety/Security Professional Development

Building safety/security personnel working the school year calendar shall be provided with at least two (2) additional days outside of the 180-day student calendar to participate in District-offered professional development sessions. The specific dates and topics will be determined in collaboration with the security managers, the Association, and building and central security staff.

16.5 Safety/Security Personnel Attire

Schools and school-related events are complex environments. Ensuring that District and school Safety/Security personnel are easily recognizable to law enforcement,

community members, and district staff is essential to ensuring optimal effectiveness both in safety and security prevention and in emergency situations. At the same time, being easily recognizable creates its own set of complications so either party may open negotiations on this section if deemed necessary.

165.1 The District will minimally provide the following articles of clothing, and adjustments may be made to comply with Article 12.3 Non-Discrimination:

16.5.1.1 Five (5) long or short sleeve "Performance Polo" shirts in "Cadet" blue with district logo and "Safety Officer" on the front

16.5.1.2 Five (5) pairs of charcoal grey Tactile Pro pants

16.5.1.3 Two (2) pairs of black leather shoes; maximum cost of \$150 per pair

16.5.1.4 One (1) "Chameleon Soft Shell Jacket with Flaps" in black with district logo and "Safety Officer" on the front and back

16.5.1.5 One (1) "Valiant Duty Jacket" in black with district logo and "Safety Officer" on the front and back

16.5.1.6 One (1) baseball cap

16.5.1.7 One (1) stocking cap

165.2 After employees are supplied with the articles of clothing described in 16.5.1, they will annually have access to the following:

16.5.2.1 Up to \$400.00 reimbursement to replace the shoes and clothing listed in 16.5.1 above. Receipts must be submitted by August 31 each year. Employees may also use the \$400.00 annual reimbursement to replace the shirts provided the shirts match their assigned school colors (Central Safety personnel: blue). Safety/security personnel may also use the \$400.00 annual reimbursement to purchase 5.11 Tactical Tactile Pro Shorts. Upon separation from employment, receipts must be submitted within ten (10) work days of separation from employment.

16.5.2.2 Ordering through the District's uniform provider directly for the replacement of damaged shirts, pants, and/or jackets.

Regarding Training Stipends**

In the 2000-2001 negotiations, the Renton School District and the Renton Professional Technical Association agreed to end the RSD training stipend program as of August 31, 2001. Employees who earned RSD training stipends by August 31, 2001 will continue to receive the stipend under the terms of Section 3.6 of the 2000-2001 Contract (see following pages). The parties intend that these stipends shall be “grandfathered” and continued for the duration of the employee’s employment, unless otherwise negotiated.

Effective September 2, 2001, a new training program set forth in Section 3.6 of the 2001-2002 Contract shall replace the 2000-2001 RSD training stipend program.

For the District

For the Association

Reprint of 2000-2001 CBA, Section 3.6

3.6 Stipends

- 3.6.1 For 2000-2001, the District shall recognize and acknowledge approved training through a Renton School District stipend program. Such stipends, when awarded, will continue to be paid on an annual basis. Employees who earn and submit verification from approved training programs will be paid an annual RSD stipend under the procedures noted herein. Such payment will begin the year following the year in which certificate submission is made to the Personnel Department. Actual documentation and verification must be received by the Personnel department no later than August 10 of one contract year for payment beginning in September of the following contract year.
- 3.6.2 For 2000-2001, Renton School District stipend of one hundred dollars (\$100) may be earned by any annual employee or less than annual employee. Three (3) college credits or thirty (30) hours earned in an approved training program qualify for one (1) RSD certificate stipend of one hundred dollars (\$100).
- 3.6.3 Employees are individually responsible for obtaining and keeping course or training documentation and submitting such documentation to the Personnel Department when such hours have been completed. Notification and application must be timely as noted herein, in order to receive timely payment. Credit and payment will not be given for duplicate training or training not relevant to the individual employee's specific responsibilities or individual professional growth, unless special circumstances result in District authorization for such training. Note: Hours of Renton School District training for District-wide fiscal/personnel and student data base information systems and First Aid/CPR receive during regularly scheduled work hours or for which the employee is paid are specifically excluded from the stipend program.
- 3.6.4 One RSD certificate stipend of one hundred dollars (\$100) will be paid annually to each qualifying employee who has earned and submits transcript verification of any one of the following:
- 3.6.4.1 Vocational program completion of an approved State program of at least 900 clock hours or 90 credits; or
 - 3.6.4.2 An Associate degree from an accredited technical or community college; or
 - 3.6.4.3 A Bachelor's degree from an accredited college or university.
- One additional certificate stipend of one hundred dollars (\$100) will be paid annually in recognition of a Master's degree.

- 3.6.5 Through August 31, 2001, employees will be paid for a maximum of seven (7) RSD certificate stipends. Should there not be a successful passage of a Maintenance and Operations levy, or should the District's levy capacity fall below 24.93 percent, the District may elect to reduce the number of certificates for which it will pay stipend to six (6).
- 3.6.6 Employees who have earned certificates prior to August 31, 2001 shall continue to receive annual payment for said certificates. Employees earning training hour stipends subsequent to August 31, 2001 shall be subject to the Memorandum of Understanding dated January 10, 2001.

 - o those who are deaf or hard of hearing and use facial and mouth movements as part of communication
 - o those advised by a medical, legal, or behavioral health professional that wearing a face covering may pose a risk to that person
 - o those who are unable to wear a mask properly, as described above, should have adaptations and alternatives to limit the spread to the same level as a face covering.

The following also apply:

- a. The District shall provide disposable face coverings for all employees that meet or exceed the level of risk as determined by Labor and Industries (L&I) guidelines. If a position has varying levels of risk, the appropriate personal protective equipment will be provided and used when in the high-risk environment while using the appropriate lower-risk personal protective equipment in lower-risk environments.
- b. Employees may choose to provide their own face coverings so long as they meet L&I guidelines.
- c. Employees working with students who cannot wear a face covering for the reasons described above shall be provided all appropriate personal protective equipment (PPE), including but not limited to masks and gloves, as described by L&I and the DOH.

2. **Additional Safeguards:** Employees whose duties consistently involve a high volume of in-person contact, may submit a written request for consideration of workspace polycarbonate installation to their supervisor. Employees whose request is denied will be given the reasoning and next steps by their supervisor in writing.
3. **Employees At Increased Risk:** Employees who are at increased risk of severe infection ([as defined by the CDC](#)) may engage in the ADA interactive process by contacting the Human Resources Department at human.resources@rentonschools.us.
4. **Physical Distancing:** Capacity for students and employees in any facility and/or classroom will follow [Health and Safety standards dictated by DOH](#) and/or PHSKC. As of the date of the execution of this Agreement, current physical distancing guidance calls for three (3) feet of distancing between students in the classroom, when possible and six (6) feet of distancing in all other school spaces, when possible. The parties agree that the term, “when possible” means that the distancing requirements will be met unless doing so would result in a student not having adequate access to in-person school services.
5. **Handwashing:** The District shall provide adequate facilities and supplies for employee and student handwashing as required by [Health and Safety standards dictated by DOH](#) and/or PHSKC.
6. **Students and Employee with COVID-19 Symptoms:** Exclusion of students and employees from facilities will follow [Health and Safety standards dictated by DOH](#) and/or PHSKC, which may be subject to change.

At the time of the execution of this Agreement, the District is required to provide an isolation room at each site for students and staff showing COVID-19 symptoms until the sick person can leave. This room shall be designated specifically for this purpose. Staff providing supervision shall be provided appropriate PPE for working with people with COVID-19 symptoms. Employees who are in a circumstance which results in a need to change PPE will be provided time to do so up to 15 minutes.

**Exposure to COVID-19:
Notification of exposure -**

Employees who are exposed at work to a confirmed case of COVID-19 or to a person who cannot go to their school/worksite when they have a confirmed positive COVID case shall be notified by the District as soon as reasonably possible, but no later than the next school day, or within twenty four (24) hours of the District becoming aware of a positive case.

- a. The District shall notify the president(s) and the UniServ Director of any known confirmed case of COVID-19 in their building or any facility their employees work in as soon as reasonably possible; but not later than the next school day, or within twenty-four (24) hours following receipt of notice.

- d. In the event an employee is required to quarantine and remote work is not an available option, see Section II: Leaves Available for In-Person Learning Environments.

7. **Meetings:** The following provision related to meetings shall apply starting September 1, 2021 and will sunset on February 18, 2022:

On or about the second week of February 2022, the parties agree to review transmission data to determine if there is a need to continue these provisions.

Meetings that would have been conducted in-person absent this agreement will be conducted from the building, even if being held remotely. Employees will have access to technology needed to attend any remote meeting.

When there is substantial or high-level of transmission, [as defined by PHSKC](#), meetings of more than ten (10) employees will be held remotely. Exceptions to this requirement may be granted if all employees participating in the meeting wish to conduct the meeting in-person and can do so while following all health and safety guidance.

For meetings of ten (10) or fewer staff, meetings will still be held in person as long as all health and safety guidance can be followed.

When meetings regarding an individual student are conducted, families/guardians will be given the choice of whether to meet remotely or in-person.

For employees at increased risk, please refer to section 3 of this MOU.

8. **Training and Professional Development:** All employees shall complete Health and Safety training on COVID-19 health and safety precautions prior to the first student contact day. Non-exempt staff whose 2021-2022 work year calendars do not begin until the first student contact day will have a week to complete the training. If they are unable to complete the training within a regularly scheduled workday, they may submit for extra hours for needed time to complete the training, up to thirty (30) minutes. The District and its labor partners will collaborate on how to provide additional information and/or training opportunities to employees seeking them.

The District will update an FAQ related to COVID safety that will be updated on the website as needed. The District will keep labor partners informed regarding changes to the FAQ.

9. **Communication:** Prior to students returning to in-person learning, staff, students and their families will receive communication regarding health and safety expectations, including but not limited to wearing face coverings, physical distancing, and handwashing. This communication will be provided in the home languages of EL groups, whenever possible, while consistent with district policy.

10. **Supervision for compliance:** The District shall designate a Site COVID-19 Coordinator to monitor the health of employees and enforce COVID-19 job site safety. - The discipline response to students who violate safety protocols will follow REA CBA section 9.5, District policy and/or current law.

12. Personal Protective Equipment (PPE): All staff will be provided PPE, pursuant to applicable PHSKC, L&I, and/or DOH guidance. Staff who believe they require additional PPE beyond this may request it through their COVID site supervisor. If it cannot be resolved at that level, it may be brought to labor management for dispute resolution.

13. Testing: Employees who are symptomatic or who have been identified as a close contact can be tested with a PCR test available at school.

14. Overload: In spaces where 3-foot distancing is not feasible, employees can request additional PPE/precautionary measures through their COVID site supervisor. If it cannot be resolved at this level, it may be brought to labor management for dispute resolution.

15. Contact tracing: Nurses will utilize PHSKC, DOH, and/or CDC guidance regarding contact tracing. However, the specific circumstances of any given circumstance will be analyzed by our nurses, utilizing the nursing judgment skills that are component of their nursing license. Nurses will be in regular contact with PHSKC regarding the process in general as well as specific cases.

16. Visitors and Volunteers: If applicable health and safety protocols can be followed, visitors will be allowed in buildings.

Volunteers in the buildings must be vaccinated by October 18th, 2021, to the extent it continues to be mandated by state law.

17. Data Dashboard Agreement: The District will continue to operate its data dashboard with the following parameters:

II. Leaves Available for In-Person Learning Environments

1. COVID Exposure at Work

In the event an employee is required to quarantine or isolate as a result of a COVID exposure at work, as determined through Contact Tracing, the District may provide remote work. In the event that the District cannot provide remote work, paid leave will be provided for the duration of the quarantine/isolation period consistent with the current PHSKC and/or DOH guidelines, but no more than ten (10) workdays per occurrence.

If an employee is unable to work remotely as a result of COVID symptoms, paid leave will be provided for the duration of the quarantine/isolation period consistent with the current PHSKC and/or DOH guidelines, but no more than ten (10) work days per occurrence.

2. Positive COVID test

Regardless of whether contact tracing determined an employee was exposed at work or not, an employee diagnosed with a positive COVID-19 test will receive paid COVID leave from the date they tested positive through the duration of their required quarantine. To be eligible for the paid COVID leave, the employees must provide documentation of their positive COVID-19 test to Human Resources.

Any staff who are utilizing their own accrued paid leave or unpaid leave but who then test positive and provide documentation of the positive test will retroactively have the COVID paid leave applied and any of their own accrued paid leave restored for the qualifying period (the date they tested positive through their last day of quarantine).

3. No Positive COVID test and No Exposure at Work:

Employees who do not test positive for COVID-19 and who are not determined by contact tracing to have been exposed at work, but who are still directed to quarantine or isolate consistent with current PHSKC and/or DOH-guidance, may work remotely, if remote work is available and feasible. If remote work is not available and feasible, the employee may access their own accrued paid leave. In the case

that contact tracing ultimately determines that the employee was exposed at work, and the employee used their own accrued paid leave to quarantine, that leave will be restored to the date of quarantine.

4. Extraordinary Circumstances

Extraordinary circumstances which require an exception may be referred to the Assistant Superintendent of Human Resources for consideration.

Any employee who has used all available contractual leave due to a requirement to quarantine or isolate will not be subject to disciplinary action.

COVID-related leaves will be revisited by the District and the Associations if there are unforeseen impacts to significant changes in applicable guidance.

III. Duration

This MOU shall remain in effect through August 31, 2022, or until 45 calendar days after the end of the declared COVID-19 state of emergency, whichever comes first.

Agreed to this ___ day of _____, 2021.
