The following positions are confidential in recognition of additional job requirements and responsibilities in the implementation of the California Bargaining Laws of Public Employees:

Senior Executive Assistant to Superintendent / Clerk to Governing Board
Administrative Assistant
Executive Division Secretary to Human Resources
Executive Division Secretary to Business Services

2.0 Salary Schedule

The salary for the current year shall be set forth in the attached document entitled “Salary Schedule.”

2.1 Salary Range

On January 1, 2020, the following salary ranges shall become effective:

<u>Classification</u>	<u>Range</u>
Senior Executive Assistant	15
Administrative Assistant to Superintendent	14
Executive Division Secretary	6
Administrative Secretary	3

2.2 Determination of Salary Compensation

The salary schedule designates compensation on the basis of 12 months, 40 hours per week employment, and is expressed in the terms of dollars per number of working days in a calendar month. Payment for services will be on the last working day of each month. All permanent employees must be paid during the month in which the hours are worked.

2.3 Initial Placement on Salary Schedule:

Effective July 1, 2001, in cases where the confidential employee has had previous experience in the position being applied for, one year of credit will be given for each year of full-time comparable confidential school district experience by placing the experienced employee on Step II through Step VI, and may include longevity increments at the discretion of Superintendent. For those without school district experience, but with experience in a similar position, credit may be given for the experience by placing the employee on Step II with one through 4 years of experience, and Step III with five or more years of experience.

2.4 Experience Advancement on Salary Schedule

A new confidential employee’s anniversary date shall be the employee’s date of hire. All confidential employees will annually advance one step on the salary schedule until they reach Step VI of their appropriate salary range. If the confidential employee was

hired/promoted on or before the fifteenth day in the month in which the employee's anniversary date falls, the employee's salary shall be increased on the first day of the anniversary month. If the confidential employee was hired/promoted after the fifteenth day in the month in which the employee's anniversary date falls, the employee's salary shall be increased on the first day of the following month.

When a confidential employee is promoted, the employee's anniversary date for salary purposes (excluding professional growth and longevity increments) will be changed to the first work day of the employee's new assignment. The salary of the employee will be determined as follows:

2.4.1 Employees who are promoted shall: (1) have their job experience re-viewed as if they were a new employee to determine initial salary placement; (2) if the employee's next salary advancement in their previous classification would have been granted within six months after the promotion date, determine what the employee's salary would be with the step advancement in the former classification.

2.4.1.1 If (1) is higher than (2), the employee will be placed on the appropriate salary step. If this step placement results in a lower salary for the employee, the employee shall be advanced to the next salary step which gives the employee a salary increase.

2.4.1.2 If (2) is higher than (1), the employee's salary step placement in the new classification will be on the first salary step which gives the employee a salary increase.

2.5 Salary Compensation for Part-Time Personnel

If any position is established on any other time basis than forty (40) hours per week, twelve (12) months per year, compensation, **professional growth, health and welfare entitlement, vacation and sick leave** shall be adjusted proportionately.

3.0 Pay and Allowances:

This procedure also provides for those few problems which cannot be resolved immediately between supervisor and employee. All information is to be kept confidential.
