

Specific Learning Disabilities and Anxiety Self-Paced Online Training

Access from April 25th to May 16th, 2022

EduCalc

Strengthen your knowledge of instructional strategies that can assist students who have Specific Learning Disabilities and/or Anxiety in this 4-Course Bundle:

Dyscalculia

- Dyscalculia is a Specific Learning Disorder that impacts math. Find out how, why, and what you can do to support your students with this math disability.

Dysgraphia

- Dysgraphia is more than bad handwriting. It's a Specific Learning Disorder that impacts organizing thoughts, writing essays, memory, and fine motor skills.

Dyslexia

- Learn interventions and instructional strategies to support students in every class, using any curriculum.

Anxiety

- Anxiety disrupts learning by blocking memory and recall. Learn what you can do to support students in this research-based training.

- Completion of each course plus follow-up reflection and survey equals 3 SWD Inservice Credits, for a possible total of 12 SWD Inservice Credits overall.
- Follow-Up activities and Surveys **MUST** be completed by May 18th for all courses.

Registration:

- DeSoto, Glades, & Hendry registration form: <https://bit.ly/FDLRS-SLD-Sp22>
- Highlands: Register in your PLM portal - search for "SLD's and Anxiety"
