

Welcoming New Singers!

Find your voice with the Central Coast Youth Chorus!

Weekly rehearsals are geared to the age and ability of the singer, offering vocal coaching and musical development, and culminating in performance experiences.

Five separate choirs are offered for students grades 2-12.

Rehearsals will begin in late August and are held after school on **Tuesdays in San Luis Obispo at SLO Nazarene Church.**

For more than 25 years, CCYC has provided children in San Luis Obispo County with the extraordinary opportunity of experiencing the joy of singing while receiving a high-quality music education.

Don't miss this wonderful opportunity to build lasting friendships while discovering the amazing power of music!

~~~~~

## **“Music Makers: first experiences in singing”**

Our 9-week MM class is for boys and girls in kindergarten and first grades. The 45-minute sessions are jam-packed with music games, singing, and movement, which are so important to the developing musician.

**Classes meet after school in San Luis Obispo on Tuesdays starting late September.**
