**Committee Purpose and Collective Commitments:**

*The philosophy of Community Education of the Winona Area Public Schools shall be to provide opportunities for lifelong learning for all the citizens of School District #61. These opportunities shall be designed to meet the current needs of the community and thus, reflect our changing society. Community Education shall promote the utilization of buildings, facilities, and personnel by and for all the residents of the school district and cooperate and coordinate activities with other agencies and organizations serving the community to maximize the use of all available resources.*

*The purpose of the Council shall be to advise and make recommendations to the Board of Education and the Community Education Director on the Community Education programs and activities of the District. These programs will include academic improvements, enrichments, vocational improvement, leisure, and recreational services, social services, and activities. They will utilize the School District, community, and private resources and the district facilities. They will be for all ages, social and economic groups residing in the geographic boundaries of the District.*
