

Middle School Science Teacher

Gulf Stream School, a PreK-8, co-ed, independent school on the southeast coast of Florida, is seeking a Middle School Science Teacher. Candidate must be able to teach general science at the middle school level. Experience working with middle school students and a Bachelor's Degree in Science or related field are required; a Master's Degree and the ability also to teach Middle School Math, if needed, are desirable. Strong communication skills, both written and verbal, are a must, as is a desire to work as part of a team. Competitive salary and benefits. Interested candidates should send a cover letter and resume to Assistant Head of School, Cathy Abrams, at cabrams@gulfstreamschool.org.
