Dedication

"Greatness comes through service"

In commemoration of outstanding service to our school and community, we the Annual Staff take pleasure in dedicating this our first annual, to Principal O. E. Wilhite, Sr., and to Mrs. Susie E. Sansom.

Mr. Wilhite has served as Milam County educator for thirty four consecutive years, twenty-six of these have been spent at Aycock as principal, where he has made many outstanding contributions.

Mrs. Sansom has served at Aycock for sixteen consecutive years. During this time, she has served as teacher for grades one through twelve, and in almost every depart-

ment of the school. At present, she is instructor of Social Science and Business Education, she is pianist of the high school chorus, and school secretary.

We need well-poised, straight thinking, cooperative citizens of a democratic society to cope with a world of natural confusion. You have the power to create a nation permeated by justice, amity, understanding and cooperation for all, however, you must be prepared. This preparation must come from your school, your home, and your community. It is my desire that your school can serve as a cornerstone in the building of a happier and more profitable life for each of you.

I trust that you will be able to say in the years to come that your school was an important factor in developing in you the ability to think right. As you think, you act, repeated acts become habits, correct habits form character and character determines destiny.

Your friend,

Jm moorman

It is truly encouraging and inspiring to acknowledge the fine spirit of co-operation on the part of the superb work of our faculty, staff of teachers, the 1959 graduation class of Aycock High, the student body in general, patrons and friends of our school in making it possible for this our first school annual. May your efforts in this endeavor be crowned with success and serve as a model for the on-coming classes of "Dear Old Aycock High." Truly you are doing an excellent piece of work. Here is hoping and trusting that each of us will be highly pleased and that this contribution will be cherished in the annals of time.

With congratulations

Your Principal,

O. E. Wilhite, Sr.
