C. M. SELMAN, SUPERINTENDENT  
Rockdale, Texas

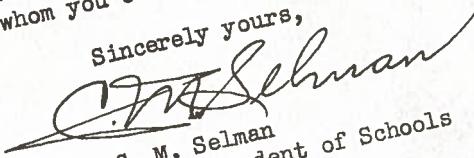

Dear Students of Rockdale High School:

We hope that this memory book will live up to your expectations and that you have enjoyed having a part in the production of it. This annual may perhaps mean more to you in the future years than at the present time because it will serve as a book of past memories, which we hope will linger in your minds as the years go by.

To the seniors, who are leaving at the end of this school year, there is always a feeling of sadness to know that you will not be back with us. However, we would not have you stay as you are in the period of life's development and may you always give a life of service to those to whom you come in contact.

Sincerely yours,

A handwritten signature of C. M. Selman.

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in preserving "treasured memories" in 1949 Annuals for more than 1100 Colleges and High Schools in seventeen States.
