FOREWORD

This is a record of . . . Faculty . . . Activities . . . Campus life . . . Sports . . . Organizations . . . Personalities . . . Classes . . .

Yes, all that and much, much more. So let this book be like an old friend you can sit down with . . . and think of people you knew . . . and things you did way, way back in 1952.

We Dedicate

ROCKDALE SCHOOL BOARD

The Annual Staff and sponsors of the 1952 LAIR dedicate this edition to the School Board of the Rockdale Schools. On these seven people, who represent our entire school district and who assume the responsibility for the progress of our school system, we depend to chart our course for the coming years.

Superintendent's Message

Seniors of '52:

There are times when one considers the more serious things in life and I think the Senior year of a student's High School life is of that category.

I hope each member of the 1952 Senior class has received something that would cause him or her to aspire to do the better and greater things in life, and to have a desire to be constructive rather than to be destructive in dealing with his fellow man.

The present-day civilization calls for a person to assume the initiative and develop his potentialities rather than live off of an amassed fortune left to a family name.

The 1952 graduates are fully able to make their mark in the atomic age and I wish each and every one all the pleasure and happiness they are entitled to receive.

Yours truly,

W. C. Grissom

Superintendent of Schools

Message From Our Principal

May this book be a lasting tribute to those students and teachers who have labored faithfully and diligently in order to make its publication possible. Many students worked with the business staff, raising funds to finance the publication of the Annual. Others worked in planning and assembling this publication. The total effort has developed this record of the school year. These endeavors have been a vital part in the development of leadership, talent, and citizenship of those who produced and composed the Annual. Their work will be appreciated by everyone who enjoys this book of memories.

I personally wish to commend the staff for its work and the student body for its cooperation.

Sincerely,

Norman C. Malechek

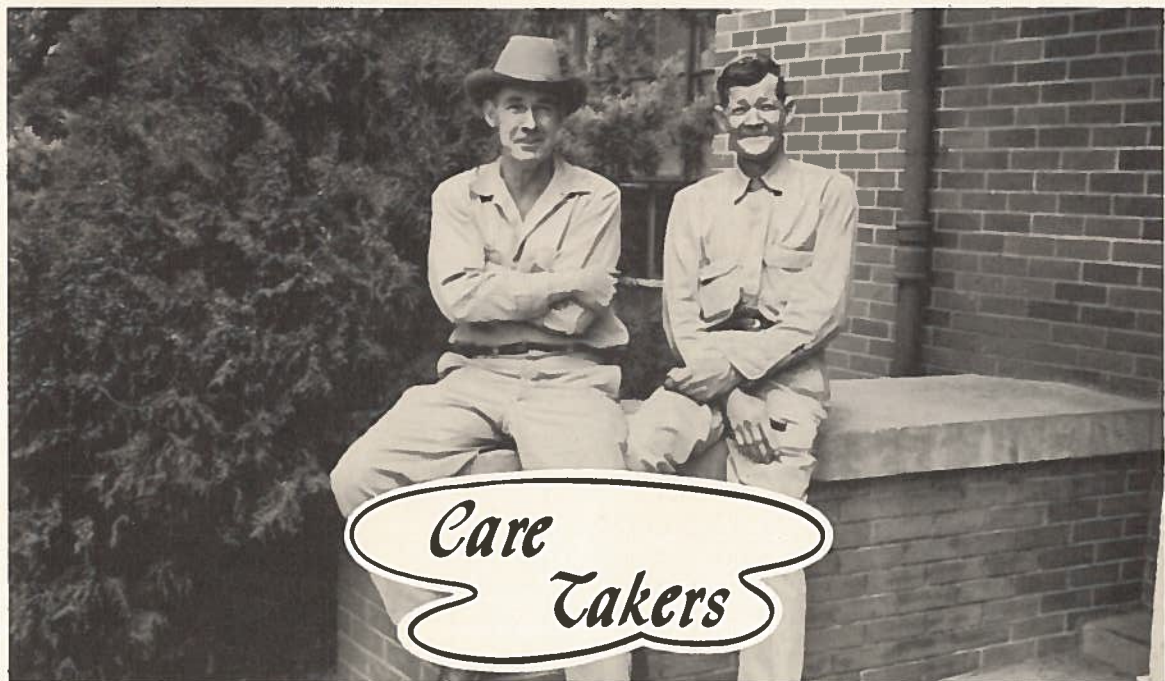

NORMAN C. MALECHEK
Principal

Other People We Should Know

The task of feeding hungry students is not an easy one, but these ladies have worked hard to provide well-cooked and nourishing food.

Left to right: Mrs. Adams, Mrs. Hare, Mrs. Gilbert, and Mrs. Neal.

The people we start looking for when we need a door unlocked, a shade adjusted, or something else done are Mr. Chester Grissom or Mr. Ed McCoy.
