## *Dedication*

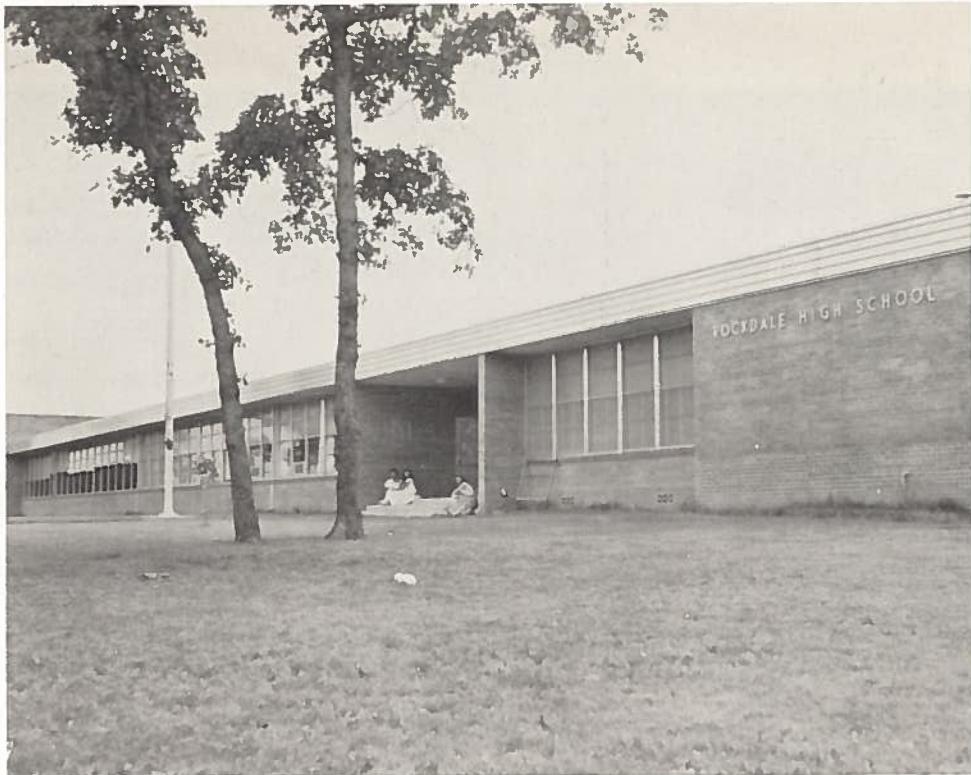

We dedicate this, the 1957 Lair, to a man who is the symbol of leadership. In both his everyday activities and his forceful, challenging speeches, he has won the respect and friendship of everyone on the campus.

This man came to Rockdale in 1955. He has become an integral, essential part of the schools. He is a man of energy, intelligence and vision, a man with a future that promises to be even greater than his present. It is an honor to dedicate this annual to the man and the future.

Superintendent,  
J. M. Moorman

# *Superintendent's Message*

Dear Students:

America needs well-poised, straight thinking, cooperative citizens of a democratic society to cope with a world of natural confusion. You can create a nation permeated by justice, amity, understanding and cooperation for all; however, you must be prepared. This preparation must come from your school, your home, and your community. My greatest hope is that your school can serve as a cornerstone in the building of a happier and more profitable life for each of you.

I trust that you will be able to say in after years that your school was an important factor in developing in you the ability to think right. As you think, you act; acts repeated become habits; habits form character; and character determines destiny.

Your friend,

A handwritten signature in cursive script that reads "J.M. Moorman".

J. M. Moorman  
Superintendent of Schools

In remembrance of the Rockdale Reporter for its services.

## Rockdale High School OBJECTS OF PARENT-TEACHER ASSOCIATIONS

TO PROMOTE the welfare of children and youth in home, school, church, and community.

TO RAISE the standards of home life.

TO SECURE adequate laws for the care and protection of children and youth.

TO BRING into closer relation the home and the school that parents and teachers may cooperate intelligently in the training of the child.

TO DEVELOP between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

The P.T.A. has accomplished many things this year as in the past years. They helped purchase the new piano for the high school auditorium in conjunction with the School Board, set aside a sum for beginning a film library, host to the District P.T.A. Conference, sponsored pre-school round-up, formed a committee to investigate the teacher sick leave and again sponsored the Art Exhibit. The profit from the Halloween Carnival was greater than last year. The P.T.A. also engaged many outstanding speakers for the regular monthly meetings this year.
