Editor's Message

What is an editor's job? It is to produce a good yearbook, but the editor can never do it alone. He must have the help and co-operation of the student body, faculty, the staff, and especially, the advisors.

My thanks go to all these people - I give my special thanks to Patricia Hart for producing the plan for nearly all of the pages in this book.

The dummy is finished; the staff is gone. We hope you will enjoy this book - The Lair - produced for you.

Dedication

Mr. W. T. Scurlock
President of the Board of Education

Why do we dedicate the Lair to you?

Because you have given much time to the youth - at times not a very rewarding occupation.

Because you helped to give us a physical plant we can appreciate.

Because you helped to provide good educators such as our administrators and teachers.

Because you were there when the school needed you most, we give to you the most precious gift we have to offer - the dedication of a year of work, a year of memories.

Mr. Scurlock, we dedicate our book to you.

*In Memory of
Mrs. Nonnie Renfroe*

Mr. W. T. Scurlock accepts the Nonnie Thomas Renfroe Scholarship presented by Miss Lynn Motheral, the granddaughter of Mrs. Renfroe.

In the evening of life, when sunset drifts slowly into the peaceful after-glow, night is gentle and even kind. For there comes in the gloaming years the discovery that the beloved who have gone on before are more in number than those who remain behind.

Thus it was that the spirit of Mrs. Nonnie Renfroe slipped quietly over the border into Yonderland, confident and unafraid.

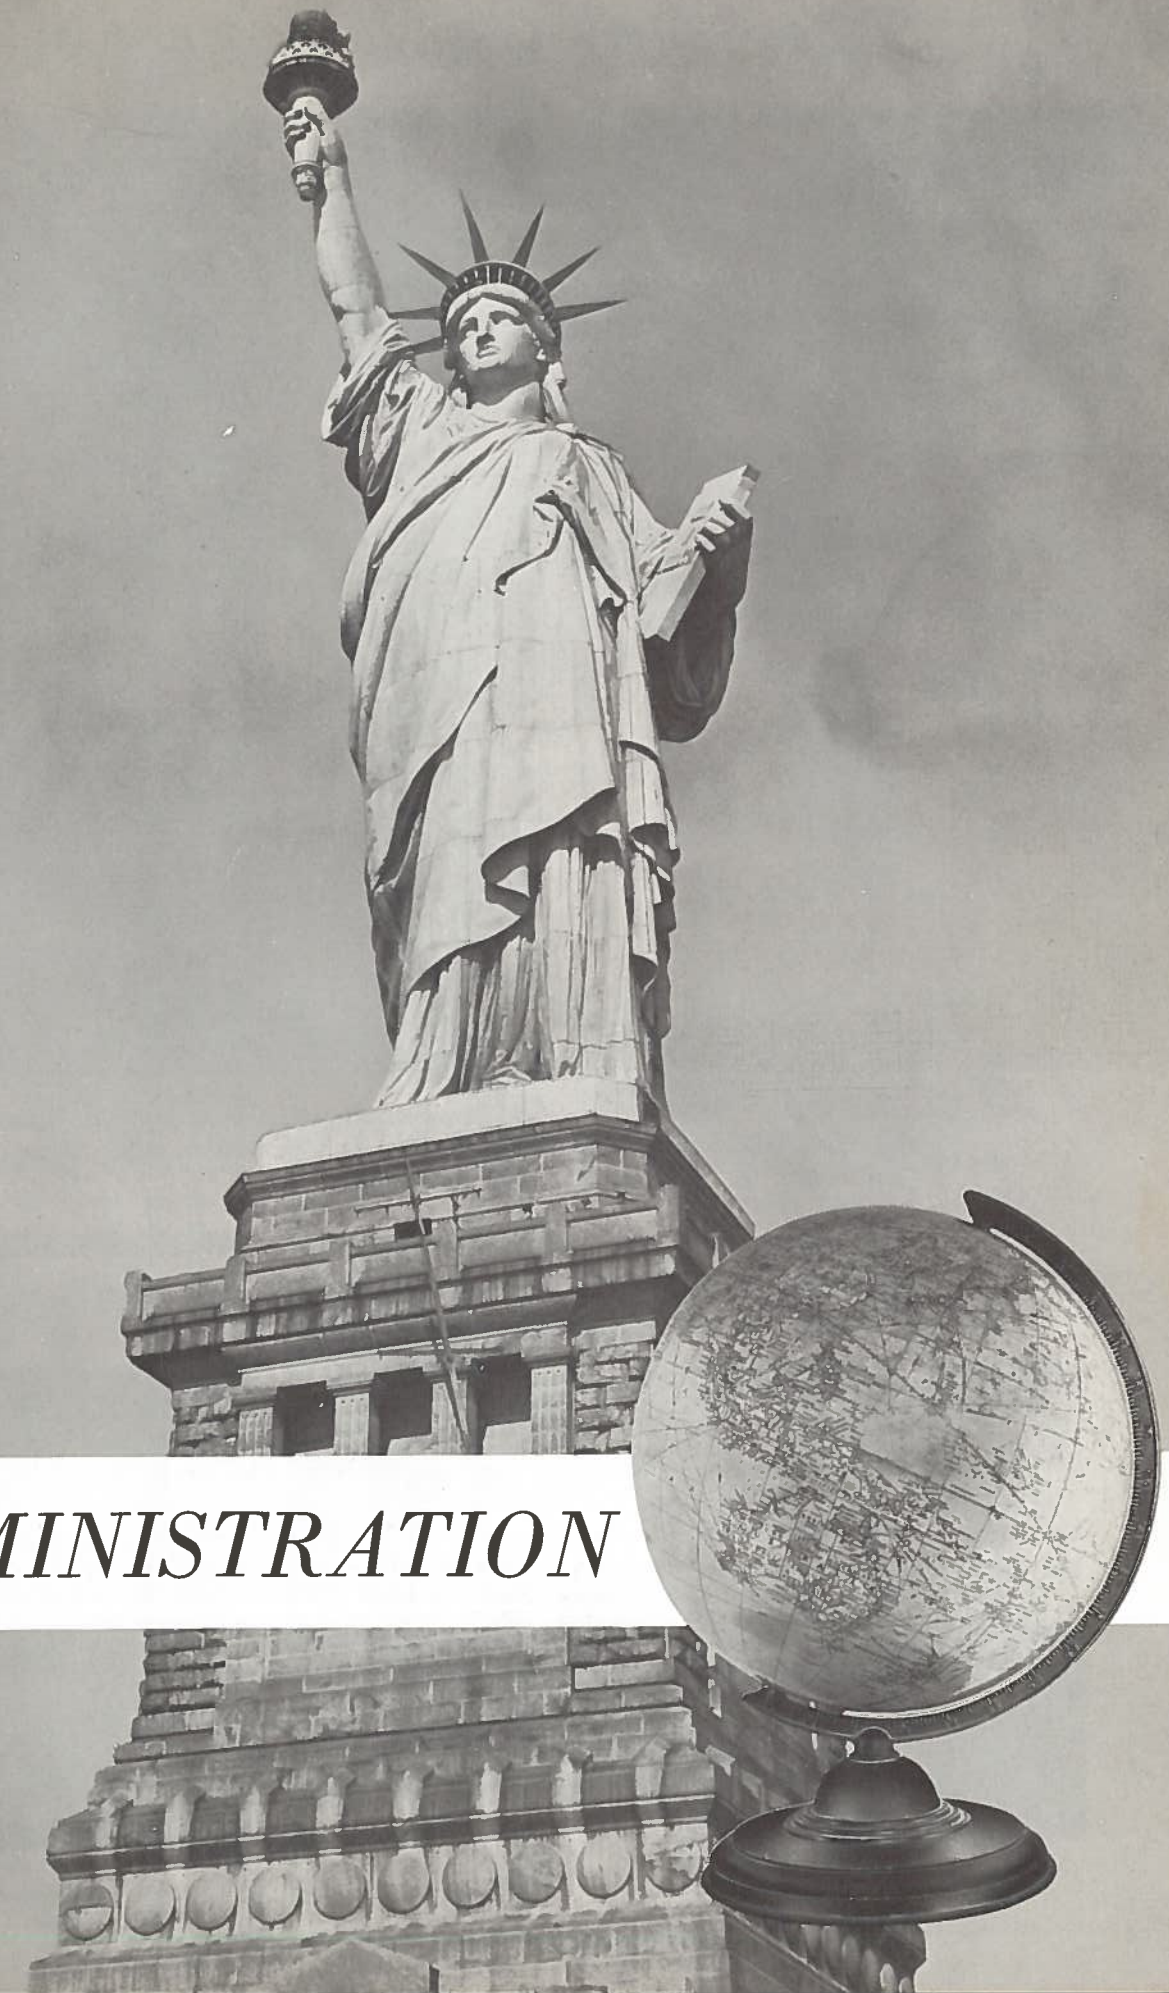

Mrs. Renfroe was a womanly woman, but hers were stout loyalty, deep affection, and unabated courage. Again and again she met sorrow and tragedy and accepted them with unimpaired faith in the providence of God. In that unshakable faith, bereavement softened her sympathy, enlarged her understanding and set her face toward the last eager adventure which claims her now.

The administrators and teachers of Rockdale Public Schools have lost a loyal teacher and a wise counselor. The many boys and girls of the school have lost a consecrated teacher, a teacher amazingly considerate and amazingly aware to stresses and problems surmounted and achievements attained - often because of her tactful interest and suggestion.

Thus is severed a lovely link with the history of Rockdale Public Schools. Behind are left abiding memories which grow the fonder now, high traditions of dedication and fidelity come down from the labors of great and kindly spirits and the gracious consolation of the thought that a devoted teacher has walked in our midst.

Ida Jo Marshall

A Message From Superintendent J. M. Moorman

Your days at Rockdale High School are full of experiences - many of which are recorded in the Lair. May these experiences better fit you for the future community responsibilities as active participating citizens of a progressive community.

The basic skills of learning have been yours to acquire within the halls of Rockdale Schools. Those skills are vividly in the background of the activities portrayed in this Lair.

The faculty of the Rockdale Public Schools is worthy of your respect and admiration. They have done their best to help you grow in unity, strength, and effectiveness as individual members of your school.

To the Class of 1960 - never stop learning, for when you do, you may as well stop living.

I commend the Lair Staff and its Sponsor for a fine piece of work in this 1960 Lair. Thanks to you for a job well done.

Together We Serve Counseling and

Mrs. Joyce Bayless, Counselor; Glenna Dittmar, and Jane McCaskill.

The counseling program in the Rockdale Public School system consists of the combined interests of all the teachers in all of the students all of the time.

This interest is shown in the arranging of a school schedule, the adapting of vocational goals to individual interests and aptitudes, and the selecting of the way by which these goals may be reached. Aiding the student to make social adjustments is also a part of the counseling program.

Counseling is done through the classroom, in the homeroom and extra-curricular activities, and in individual conferences. How ever counseling is done, there is always foremost in the minds of the teacher, administrator, or the counselor that we do not think FOR a student; rather we think WITH him.

Coaches 1959-60

Raymond Birchfield became head coach and athletic director upon Coach Wannie Miller's resignation. As assistant coach, Mr. Birchfield has performed well and is certainly the man to fill Wannie Miller's shoes.

Charlie Martin gave Rockdale High School a district basketball championship in 1960 and yearly makes Rockdale cagers among Central Texas' tops. Plus his splendid coaching, Coach Martin is also a fine teacher in the classroom.

After 5 years as head coach and Athletic Director, Wannie Miller resigned his post to go into private business. Coach Miller brought Rockdale into prominence as a football power and will long be remembered by athletes, students, and faculty.

After arriving at mid-term, Eddie Cook took over the track team, and did a fine job. The cindermen started slow but under Cook's able coaching improved rapidly. Also an assistant to Coach Birchfield, Coach Cook is a favorite in school where his ready wit is always present.

ATHLETICS

As girls' basketball coach and junior high principal, Ernie Laurence combines his abilities to work with teenagers and his administrative duties well. Rockdale has been one of the outstanding leaders in girls' basketball for years and their good sportsmanship, both on the court and off, is a tribute to Coach Laurence's teachings.

To Our Subscribers:

An annual is a reminder of things past. It is a record of events, persons, and places in a year that will one day be a part of your memories.

It is our hope that we have kept a thorough record of your life at Rockdale High School during 1959-60.

We thank each and everyone for helping us make this yearbook---The Lair.
