Dedication

We, the staff, dedicate the 1961 Lair to Mrs. Deliah McCoy as she completes her last of so many years of teaching, 19 of them in the Rockdale School System. She is remembered with love by her students to whom she devoted much time and energy.

In Memoriam

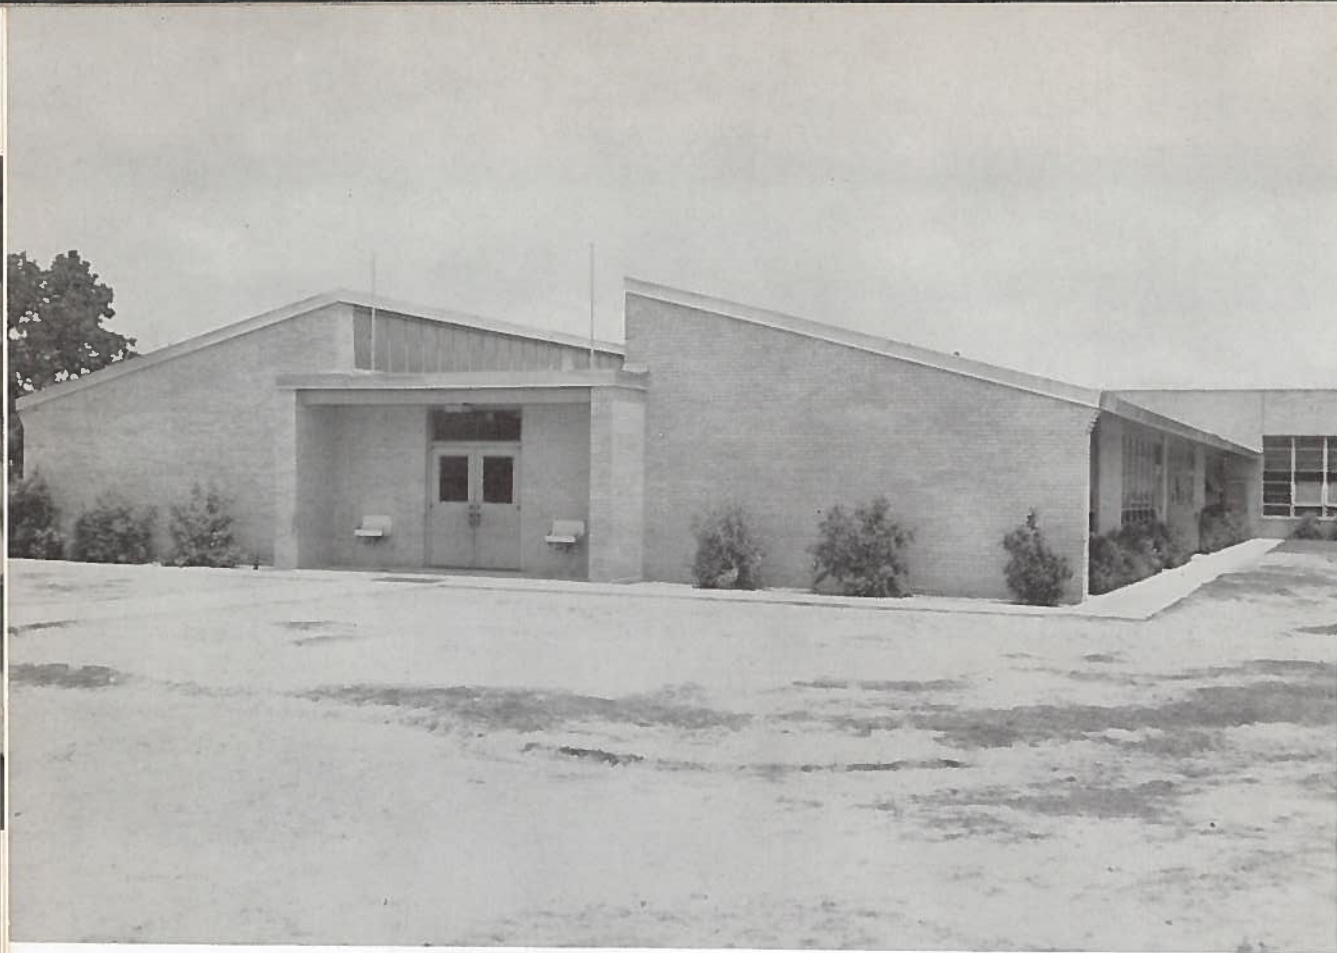

With profound sorrow, the Board of Trustees of the Rockdale Independent School District recorded the death of W. T. Scurlock, Jr., President and Senior Member of the Board, Friday, July 22, 1960.

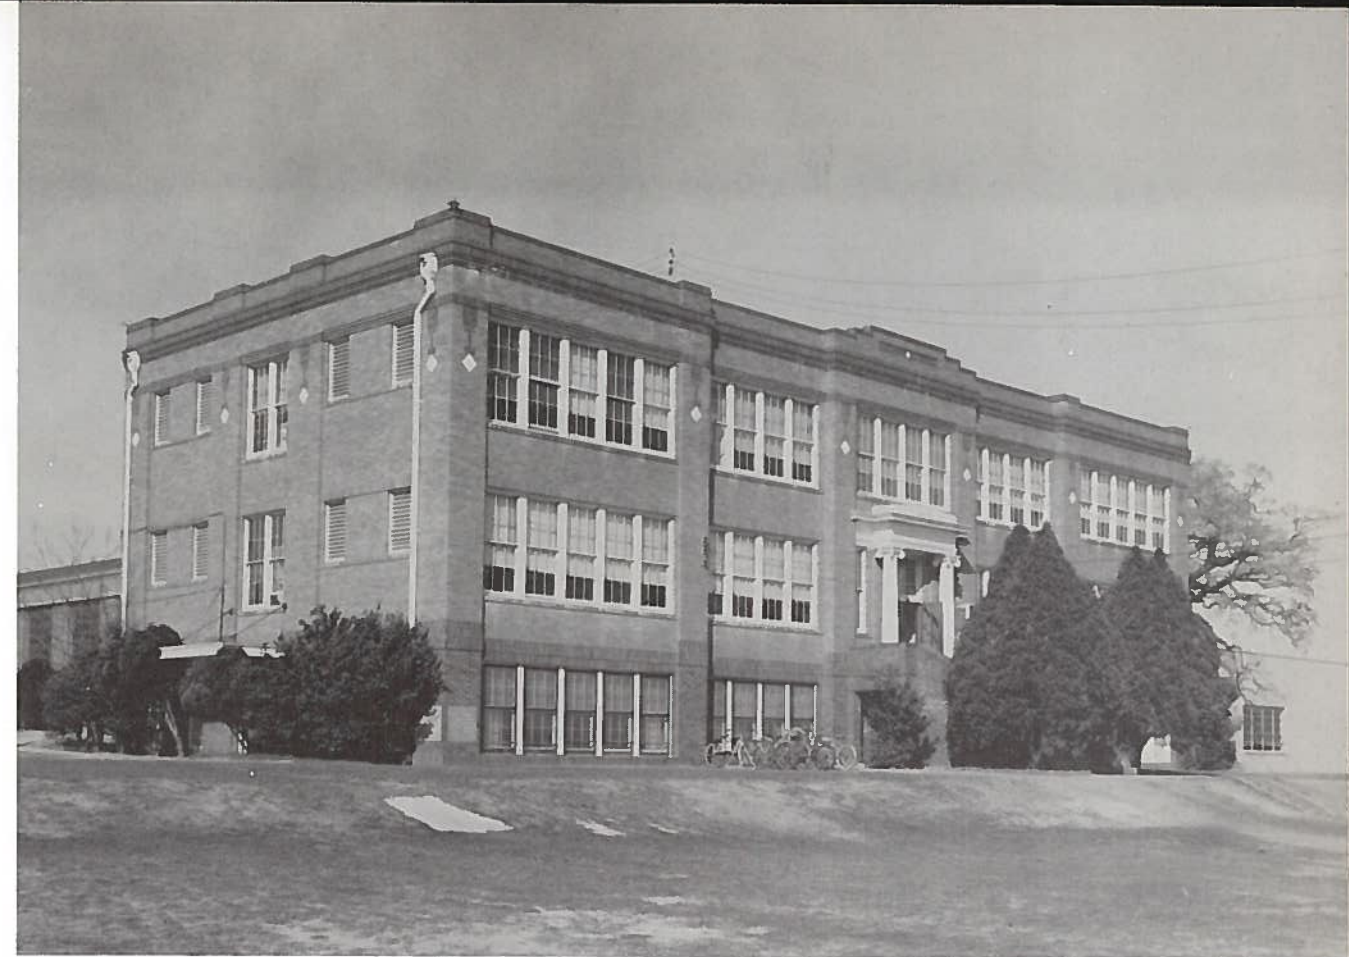

His vision, courage and leadership made it possible for the Rockdale Independent School District to accomplish a growth far beyond that of other districts of comparable size within our state.

His foresight, sound judgment and untiring efforts merited our highest esteem, and his engaging personality, his keen sense of humor and his consideration for and understanding of others endeared him to all of us.

The monument to the life of this distinguished citizen will live on for years to come in the lives of the youth of this community.

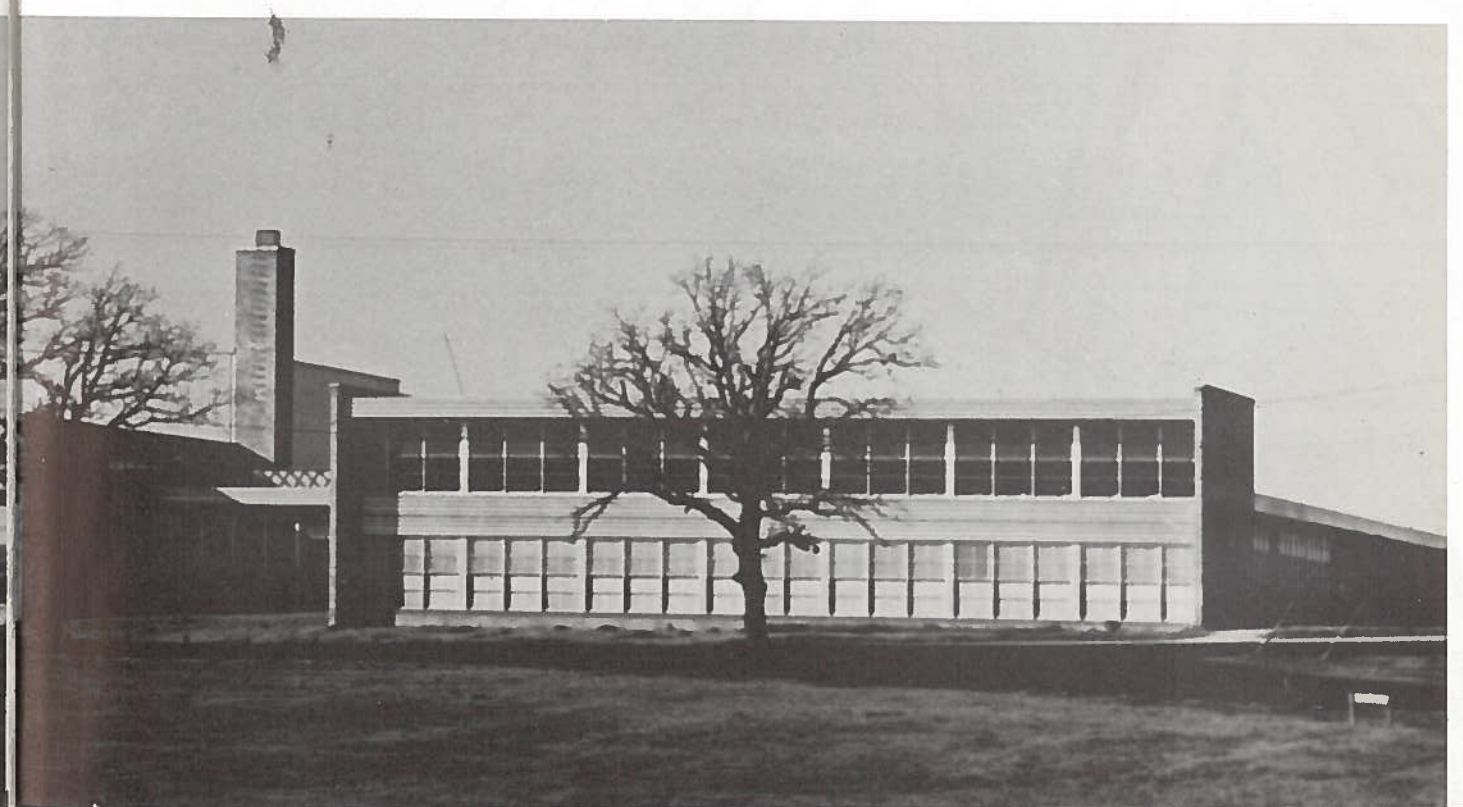

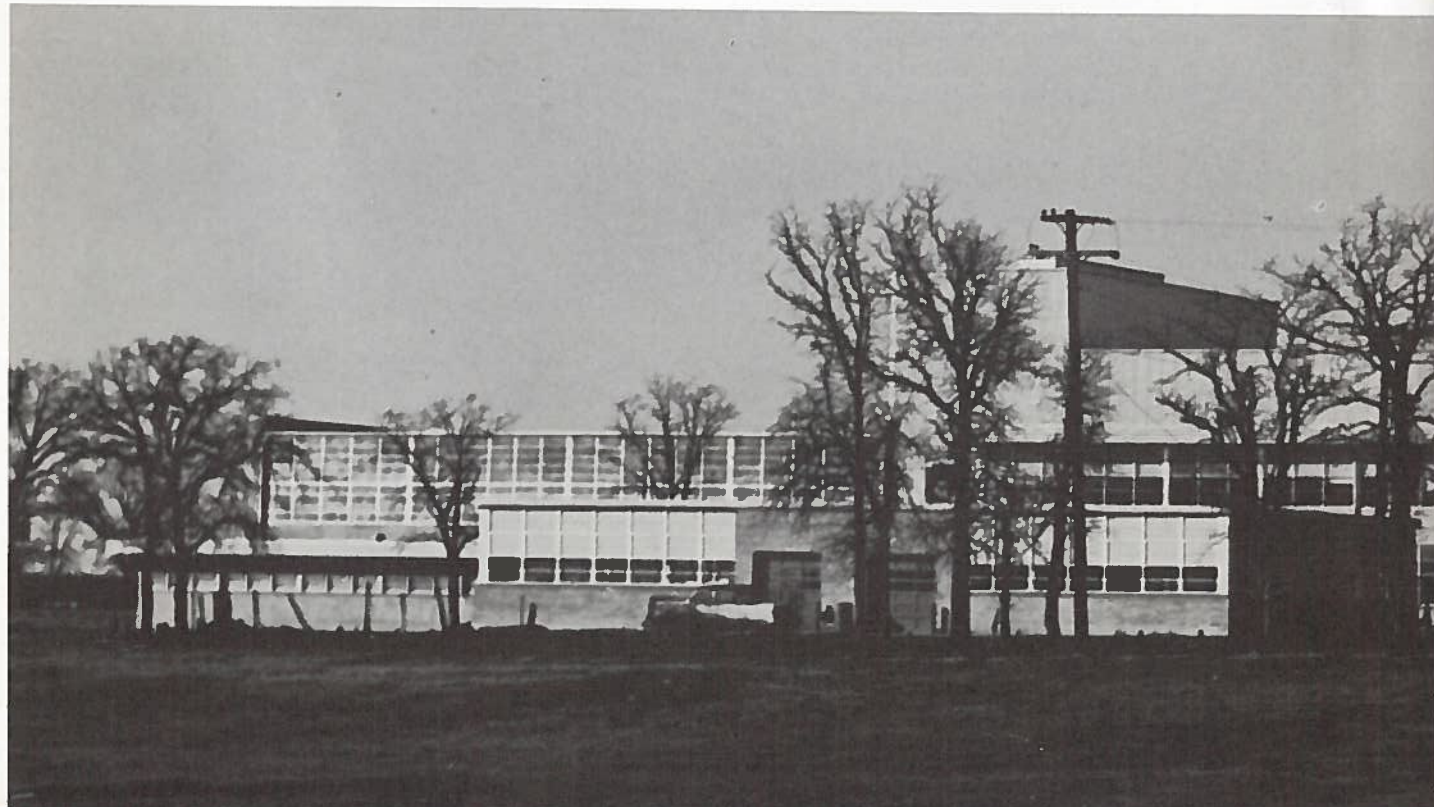

The formal education of Rockdale children begins in the elementary building of the Rockdale Public Schools. Grades 1-6 are taught in this building.

Students in the 6th, 7th, and 8th grades begin new fields of interest in junior high.

Campus Views

The High School building holds many memorable experiences for the last four years of school in the life of a Rockdale student and prepares him for his life's responsibilities.

ADMINISTRATION

The School Board and Mr. Moorman pause from their work long enough to have a picture taken. They are from left to right: J. M. Moorman, superintendent; Harry Tyler, W. P. Hogan, M. C. Perry, president; Brice Crow, secretary; Don Roddam, Johnny Ralston, and Dr. J. T. Richards, vice-president. The main aim of this board is to improve the instructional program of the Rockdale Public School System. The physical improvements made under this board include black-topping the east parking lot, gravel-topping the football parking lot, and building the bus storage shed.

The School Board, headed by Mr. Perry, and . . .

Two Phases of School Life

The secretaries, Mrs. Joiner and Mrs. Butts, keep our school system running smoothly.

In the persons of Mrs. Sadie Butts (left) and Mrs. Louise Joiner are represented a force very necessary to keeping the school going. Officially Mrs. Butts holds the title of Bookkeeper of the Rockdale Public School System and Mrs. Joiner holds the title of Secretary of the Rockdale Public School System. Actually, besides keeping all the books of the school and doing all the paper work, they serve RHS students every day in various activities from arranging appointments with Mr. Moorman to selling postage stamps.

Dear Seniors:

If I had the ability to express my true feelings to you in writing I would tell you in glowing words how much I think of you as individuals and as a group of lovable seniors. I would at the same time tell you how much you have meant to the Rockdale Public Schools and to me individually.

I would admonish you to do the following things: to choose the highest values in life; to be God's partner; to give of your best at all times; to stand upright on your own feet; to learn how to live in the present and to fill each day with eternal values. I would tell you to live the abundant life and to pack into every moment, every hour, and every day everlasting meaning.

Learning to do the above mentioned things is a continuous process. Never stop learning for when you stop learning you stop living.

Sincerely,

J. M. Moorman
Superintendent

Dear Students:

I sincerely hope that the members of the student body, and of the Annual Staff, in particular, will always meet their responsibilities with the same punctuality and efficiency with which they have produced this excellent record of the school year of 1960-61 in Rockdale High School.

Sincerely,

Behind the Scenes

Mr. Johnson . . .

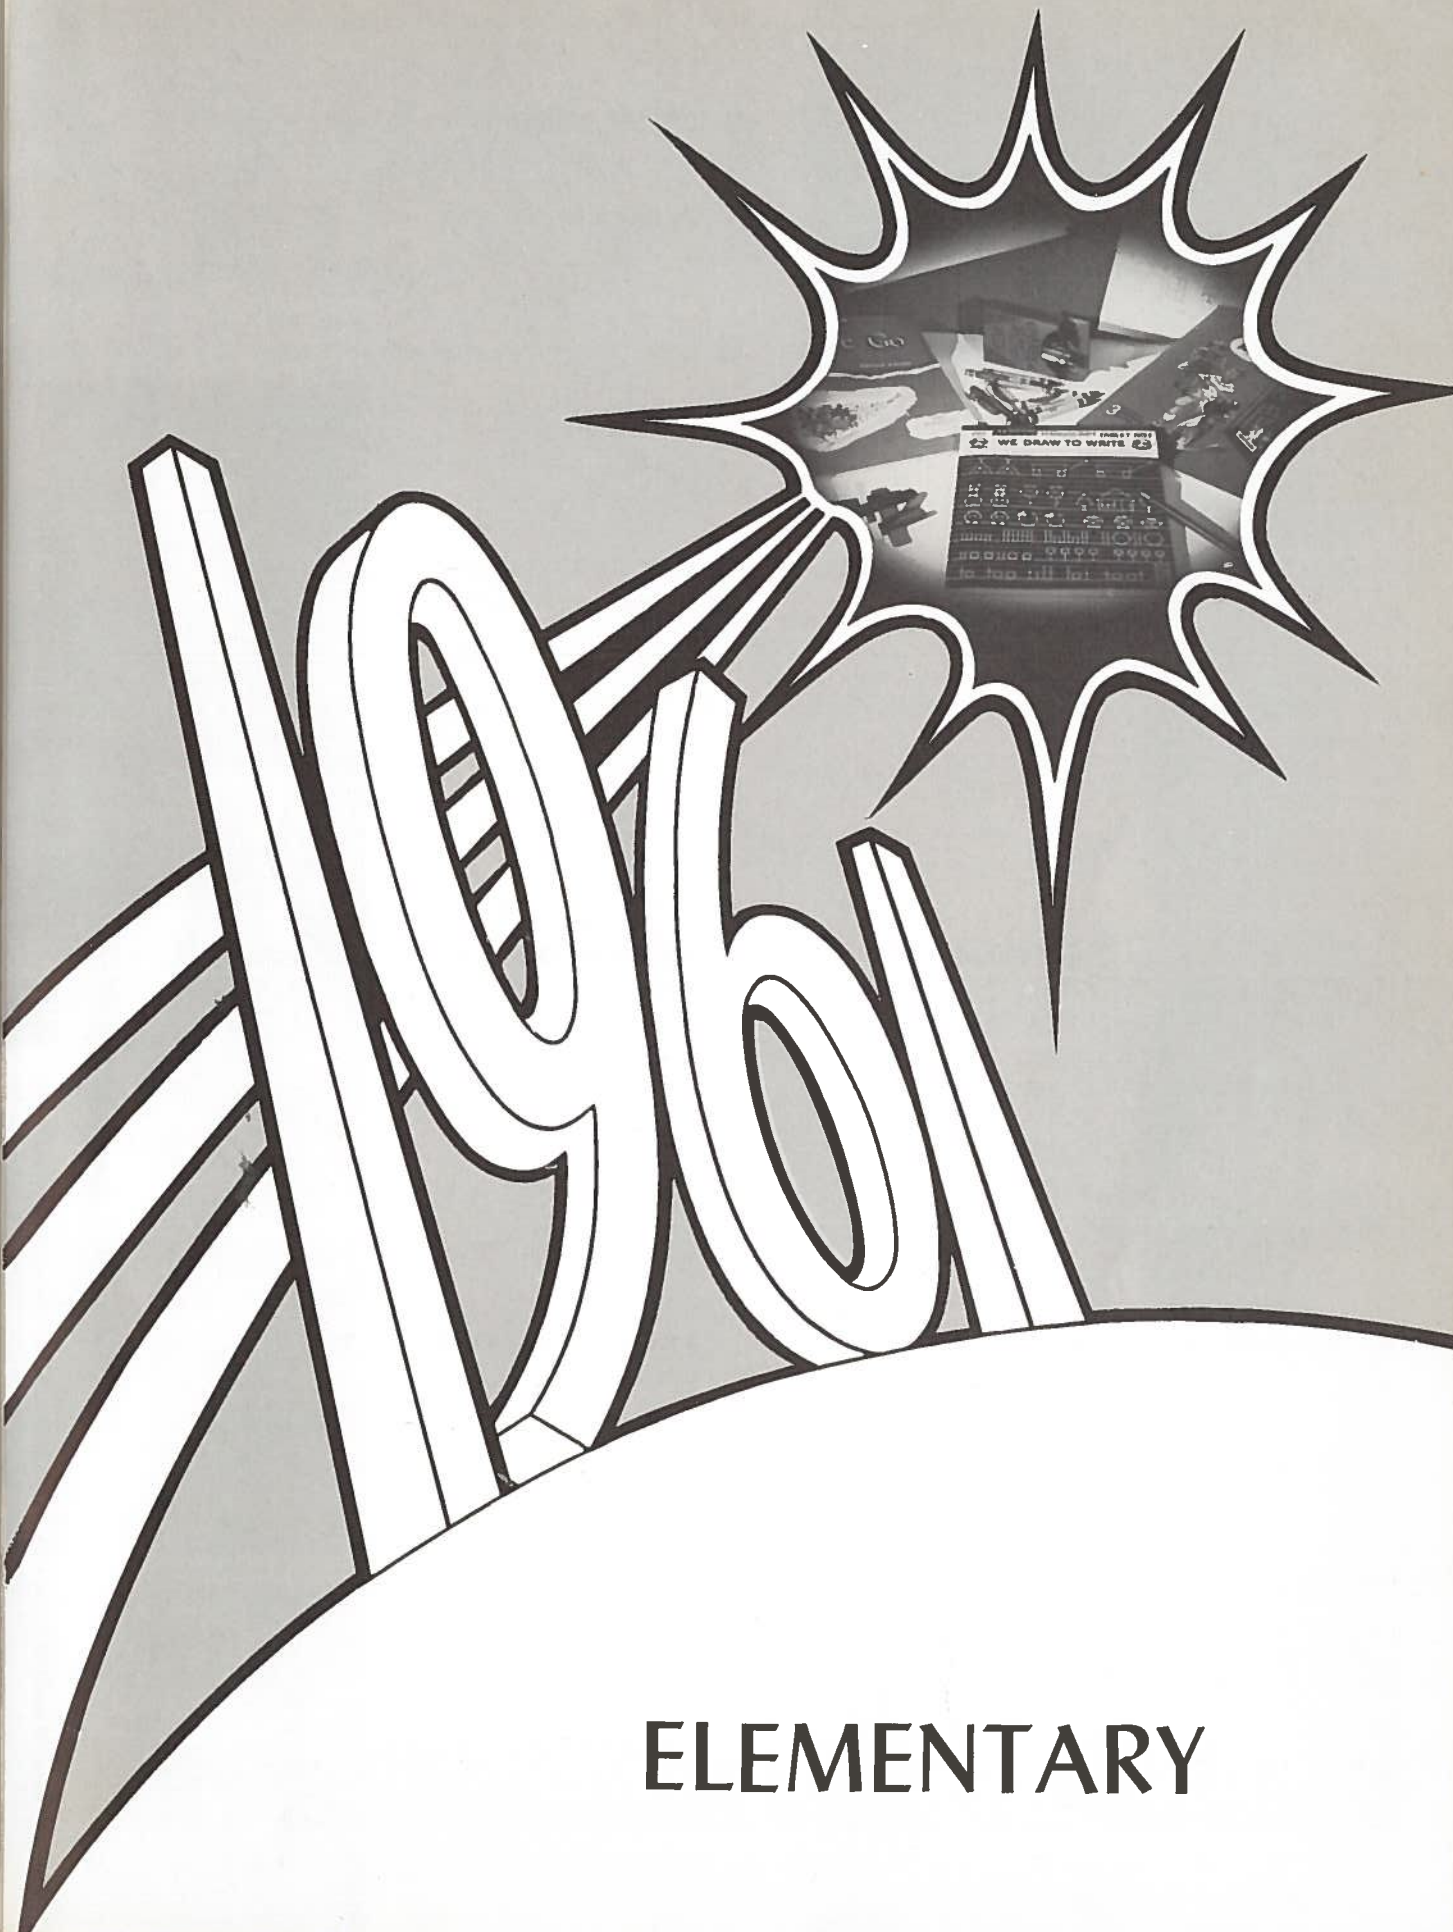

and Mrs. Walker, who we find in the tax office at the elementary school, keep tab on all school taxpayers.

The elementary and junior high school custodians keep the buildings in running order.

Delicious lunches are prepared for the elementary and junior high students by these ladies in the cafeteria at the elementary school.

These people gave of their time and effort to help us out in time of need.

Faculty, custodians, and lunchroom ladies all cooperate to make a well balanced day in Rockdale High School.

Although Mr. McLeod and Mr. Fischer have a very busy schedule, they are never too busy to do an extra job for any faculty member.

Faculty Christmas Dinner

Host and Hostess
MR. AND MRS. J. M. MOORMAN

The faculty serve themselves to a very delicious meal.

All look forward to this annual event of fun, food, and fellowship.

The food must have been delicious, judging from the empty plates. Most of the preparation was done by Mrs. Gebhart and Mrs. Adams.

Mrs. Gebhart and Mrs. Adams prepare our meals every day. We especially enjoy their hot rolls.

Rob has his 12' room antenna in his garage. His transmitter, VFO speaker, stand, receiver, keyer, and oscilloscope. The wires are connected to three antennas erected in the back yard. Rob operates with about 800 watts.

Rather than spend \$500 to \$800 buying ready made equipment, Rob invested only about \$400, and he and his father built a large portion of the instruments.

As an operator, he is required to keep a log of his contacts. The log sheets, which contain the date, frequency, and power input of each call, are printed by Rob and his father.

Following each new contact, Rob fills out a 2SL card which gives information concerning his name, address, call number, etc., and sends it to the party. In turn, the receiver makes a card and sends it to Rob. Approximately 1000 such cards are in Rob's files.

When communicating with another ham, Rob prefers to use Morse Code, as static in the wires makes it difficult to talk. Rob See HAM RADIO, page 2

The band, under the baton of Mr. Jacobsen will play the following selections: "Coats of Arms," a concert

Annual Staff

The staff tries to record the memories of the school year in this book. We try to make it interesting to you by having the complete year in the annual. This is one reason for the summer edition. We try to change ideas and patterns from time to time to make it more interesting.

There is much hard work which goes into this annual. The layout drawings, typing, making pictures, selling ads, and annuals and, hardest of all, thinking up new ideas.

The cost of giving you an annual is approximately \$2000 for 300 copies. This money, all of it, is raised by selling ads and annuals. The people of Rockdale actually support the Lair.

Senior Trip

Destination - Mayan Ranch

The Senior class of 1961 took their Senior trip April 15 and 16 to Mayan Dude Ranch near Bandera, Texas. The class of 70 students left Rockdale at 5:30 Saturday morning and arrived in San Antonio at 9:30 for a tour of the Zoo, and lunch in the park before continuing to Mayan Ranch.

Some of the highlights of their Senior trip were a barbecue by the river, a dance in the ghost town, and a sun-rise breakfast on the open range.

There were many activities for everyone. There was horseback riding daily; a heated swimming pool; donkey cart rides, hayrides to the ghost town where the dance was held. There was miniature golf, shuffleboard, ping-pong, horseshoes, and TV.

Dancing - enjoyed by seniors
