The Lair Staff
ROCKDALE HIGH SCHOOL
Rockdale, Texas

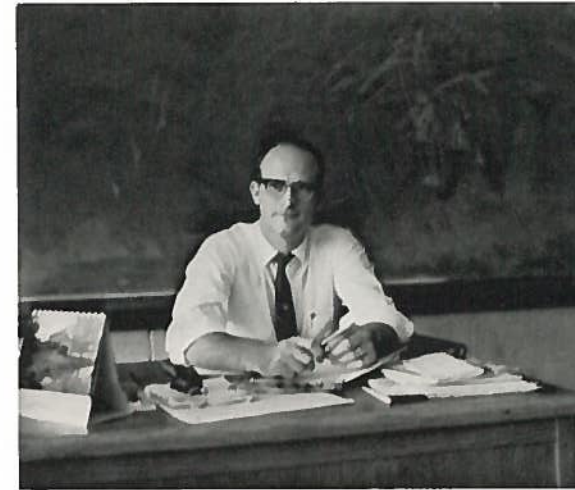

Within the pages of this book we have recorded some of the memorable events of the 1962-1963 school year. We feel that this year has been an exceptional one. Throughout the years, the spirit of the student body has upheld the traditions of Rockdale High School.

It is the hope of the Lair Staff that in the years to come, this book will serve as a reminder of the efforts and accomplishments of the members of our school.

Administration

The Schoolboard devotes many hours to the Rockdale Public Schools. They see that we students have adequate facilities, well trained teachers and up to date curriculum. The members from left to right are: J. M. Moorman, W. P. Hogan, Henry Tyler, Brice Crow, M. C. Perry, President, J. G. Ralston, Glenn Hodges, Dr. J. T. Richards.

Dear Seniors:

Your school experiences will soon be completed in the Rockdale High School. How well you have adapted yourself to the problems of life will be very important as you leave us to pursue other fields of endeavor.

We hope we have inspired you to acquire and retain useful and pertinent information of a factual nature and that you have reached a level of understanding, application and performance commensurate with your ability.

How effective our program of teaching has been will be reflected in how well you relate yourself to the tasks ahead. We hope you pursue the tasks with diligence and perseverance.

My very best wishes to the class of 1963. Never stop learning.

I commend the Lair Staff and its Sponsor for a job well done. Thanks to all of you.

Sincerely,

Jm Moorman

TO THE STUDENT BODY:

This 1962-63 school year has been a most pleasant one for me. The cooperation, attitude and interests of this student body have been most satisfying. It is my hope that each of you will continue to grow and develop into better and better American citizens. I would like for all of you to remember that a good education is the world's best investment.

These ladies, Mrs. Gebhart and Mrs. Adams, work hard to prepare the meals that are served in our lunchroom. We are grateful for these ladies who work long hours to provide us with good meals.

Mr. Fisher and Mr. McLeod are our high school custodians. They are the ones who keep our building clean. We appreciate their devotion to our school.
