ROCKDALE HIGH SCHOOL - Rockdale, Texas - 1964

In 1950, with the coming of Alcoa, it became necessary for Rockdale to enlarge its school system by building a new high school. The new building was constructed on a ten-acre campus given to the town by Alcoa and was designed to accommodate 500 students. The building was ready for occupation in 1953. Since that time the school system has improved in many ways, and is now recognized as one of the best in all of Central Texas.

This year, like all other years, has had its ups and downs, its good and bad points, but it has been a year that many will always remember. The annual staff presents the 1963-64 LAIR and dedicates its pages to Mr. Charlie Martin and Mr. D. H. Derrett. Without the help and cooperation from both of these men this book would not have been possible.

J. M. MOORMAN, Superintendent

You, the graduates of 1964, are opening a new era, a new age and a new future. You are entering a period of life with new ideas, new concepts and challenging problems that mankind knew nothing of 25 years ago. Permit me to say, "There is no room for mediocrity" where this new venture leads you. Since the course is uncharted, how far you go depends on your determination and perseverance.

Identify yourselves with Christian people; those who fear God and love Him enough to do His will. You can't go wrong if you always place God first in your life.

J. M. Moorman

J. M. Moorman

Superintendent and Board

The School Board is a keystone in the Rockdale School System. These men devote many hours to seeing that all runs smoothly. The members, from left to right are: J. M. Moorman, W. P. Hogan, Henry Tyler, Brice Crow, M. C. Perry, Glenn Hodges, J. G. Ralston, Jr., and Dr. John T. Richards.

The 1963-64 school year has been a year of progress. This progress is the result of the cooperative spirit of the student body, faculty, administration, and community.

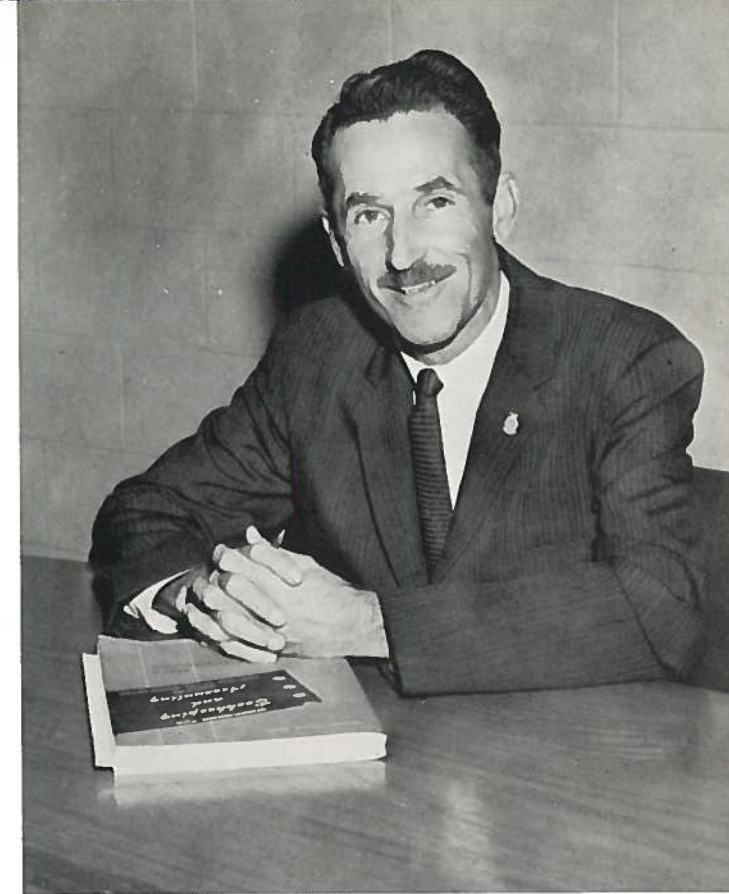

We have had good leadership from our Seniors and our hope is that this leadership will pass on to the next Senior Class, and that progress will become our school motto.

Continued success to each member of our student body is the wish of the faculty and administration.

Sincerely,

Charlie Martin

Charlie Martin

CHARLIE R. MARTIN, Principal

"Efficiency" is the byword of Mrs. Joiner and Mrs. Butts, who handle everything from lunch tickets to financial ledgers at R.H.S.

School Personnel

Ready with a quick smile and many kind words, Mrs. White is the confidant of RHS. Though extremely busy assisting Mr. Martin, she always finds time to help the students. Her assistants are: L. B. Kubiak, Johnnielyn McKinney, Harold Steele, and Carole Brown.

Mrs. Walker and Mr. Johnson are in charge of school tax collection, and are always busy.

Mrs. Scurlock is the Secretary of Rockdale Elementary School, and is as essential to that branch as Mrs. White is to high school.

Part of the reason our building is so attractive and well kept is that Mr. Dickey, Mr. McLeod, and Mr. Dyer work long hours accomplishing it. They know many trades, from plumbing to painting, and use them frequently.

Behind the Scenes

Mrs. Gebhart and Mrs. Adams plan and prepare each meal served in the R.H.S. lunchroom. They work hard and deserve thanks. Mr. Walker assists the ladies at lunch.

The Rockdale Reporter, through news stories and photographs, covers all school activities--scholastic events and athletics. We're proud of the Rockdale schools and its teachers and students, including these RHS Junior Engineering Technical Society contest winners. The Reporter will continue to report about RHS, and we hope that you will continue to read The Reporter.
