## Foreword

**The 1967 Lair presents a backward glance at the 1966-1967 Rockdale Public School year. Many happy memories of occasions gone by are recalled in pictures both familiar and sentimental.**

**The Lair staff has enjoyed its part in making this publication possible. The staff expresses sincere appreciation to both students and faculty for cooperation in collecting materials for the annual.**

**It is the hope of the members of the staff that each of you will find captured in the following pages a reminder of your greatest moments in Rockdale High School.**

Our school, where we have spent so many impressive days, working, playing, and learning together. Our school too, where we have found inspiration, guidance and a foundation for a better way of life.
