Foreword

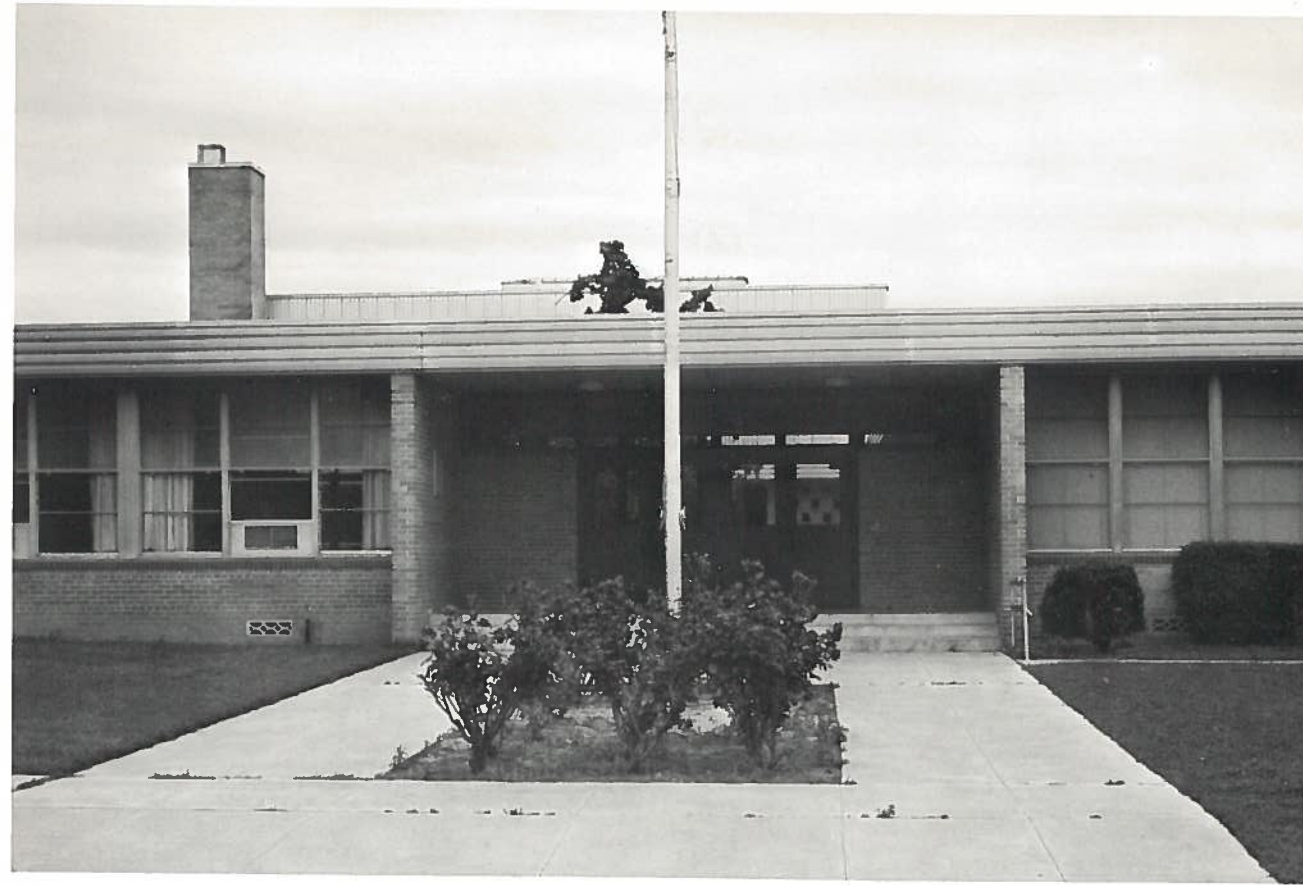

The 1967-68 school year has come to an end. Each little event of the past year added to the big moments has made our school year an industrious and happy one.

The Lair Staff has recorded these activities of the 1967-68 school year hoping to present to you a memorial that will be treasured for a lifetime.

The staff would like to express their sincere appreciation to each student and each faculty member for their help and cooperation in the publishing of this annual.

We hope you will enjoy this annual as much as we enjoyed publishing it.
